

## **KRS 159.051 Ky. No Pass No Drive Law**

The No Pass/No Drive Law has 2 parts:

### **Part I**

Students **MUST** be passing 3 of 4 classes per semester. If a student is **NON-COMPLIANT** on Dec. 17th the student will **NOT** be granted their drivers license. If the student has their license it will be **SUSPENDED** by the Ky. Department of Transportation.

[NOTE- if a student is pre-registered for Credit Recovery for the January Session I will **NOT** report their **NON-COMPLIANCE** until after completion of the program.]

### **Part II**

Students having more than 8 unexcused absences will be **NON-COMPLIANT**. [Suspension days count towards the total number of unexcused days.] A student who is **NON-COMPLIANT** in December will **NOT** be eligible to reapply for their license until they have been **COMPLIANT** for a semester- June 2011!

If a student has any questions please have them see Mrs. Sargent between classes, before or after school.
