

Color Up for a Cause

Collins Elementary and RA Jones Middle School have come together for our 4th Annual 5K run/walk event. We are going to be having another "COLOR RUN" this year! We are changing things up a little bit this year. We are now offering a "Fun Run Course" and a 5K course. The "Fun Run Course" will be just over a mile with 2 color throwing stations. The 5K course will have 5 color throwing stations throughout the course, guaranteed to cover you head to toe in color. This event will start on the shared campus of Collins and RA Jones. We will work our way through the neighborhood to the Florence Nature Park and back.

All funds raised for this event will be donated to the Special Olympics of Northern Kentucky. This organization supports over 900 athletes in 13 different sports. You can find up to date race information on our Facebook event page, search "Color Up for a Cause".
