

PARKING PRIVILEGES

All fees and textbook rental must be paid before applying

Parking at Larry A. Ryle High School is a privilege and ***not a right*** and requires the possession of an officially issued parking sticker that is prominently displayed in /on the vehicle. If the vehicle does not have the sticker displayed, it may be towed from the lot at the owner's expense.

Parking privileges may be revoked at the discretion of the principals for reasons enumerated below. A Parking permit that is revoked shall remain revoked for the remainder of the school year.

Parking on campus requires a parking permit. At the beginning of the school year students may pick up a parking application in the principal's office. *The signed application is a tacit agreement to tow that car if it is parked in an unauthorized spot or without permission. Student parking is a privilege and not a right.* This privilege is extended to students of Larry A. Ryle High School in the manner enumerated below. The Board of Education, Larry A. Ryle High School, nor school officials, are to be considered liable for vandalism, theft, damage or any other problems that may occur while parked on the school parking lot. The parking sticker only reserves a space for the parking privilege and does not cover insurance claims.
