Wow, what a fun filled week we have had here! We started by finishing K-Prep testing. The students did their best and worked hard. Then on Tuesday, the student had such a successful Color Run fundraiser that they earned the "prize" of putting me on the roof. We had a lot of fun celebrating that.

All grades levels had track and field and several grades went to the park. I love watching them play and have fun after a year of working hard.

Our back to school fair will be 8-14-17 4:00 - 7:00 which will include a picnic. School will provide drinks and grilled hot dogs. We ask for everyone to bring a side/dessert to share. Student last names A - L please bring a dessert and M - Z bring a side. More information will come during the summer about class lists and details for this event.

Thank you very much for the opportunity to serve your children again as their principal this year. I consider it a privilege to work for them each day!

Enjoy your summer!

Sincerely,

Mrs. Turner
