Reflection

Reflect upon your responses to each of the Missing Piece objectives.

The responses were determined by looking at data from the Parent and Student Needs Assessment as well as staff input.

Our strengths include making stakeholders aware of available resources, instructional strategies, community partnerships/agencies and opportunities for learning about each of them through FRC, Title I and PTA school-based outreach programs and activities. Two way communication between teachers and parents concerning student progress, academic goals and/or behavior issues is also a strength.

Our areas of need include to increase parental ENGAGEMENT. Opportunities are being provided for parent engagement, but participation is less than 40% for family nights, SBDM elections and attendance of SBDM meetings.

Our plans to improve include increasing and strengthening our partnerships with local businesses. We will provide support and training for teachers to utilize/implement student led parent conferences.
