Part One: Read Thomas C. Foster's *How to Read Literature Like a Professor* (Revised Edition)

As you read, make a list of 3-5 important points Foster makes in each chapter. Label each chapter by its title. Try to capture the bottom line of each chapter—what lesson does Foster want readers to take away? You will turn in this outline on the first day of school and use it throughout the year to guide your efforts.

Part Two: Vocabulary Prep

Access a list of pertinent vocabulary terms on my Quizlet site. This is the link:

*** There will be an exam over these terms on the first day of school 😊
