Please review the Code of Conduct with your child. His/her teacher has discussed it in class. The policies and regulations it references are an integral part of the daily student life, supporting a safe responsible, respectful, and secure learning environment. It is important to success in school that there will be periodic review of important sections of the Code of Conduct during the year, in particular sections related to:

- Student Expectations (page 11)
- Student Rights (page 20)
- Acceptable Technology Use (page 24)

It is essential that the school and home work together to assure that all students meet the high expectations for behavior established in the Code of Conduct. This enables students to succeed in school and the community. Your support is vital to this process.

After you have reviewed the Code of Conduct with your child, please sign and return the signed form to school within one month of enrollment.

As the parent(s) or guardian(s) of: _______________________________(Student name), we have read and discussed the Code of Conduct and the Acceptable Technology Use procedures with our child. Boone County Schools are committed to ensuring every student is college, career and life ready. As the third largest in the Commonwealth of Kentucky, the district consists of 14 elementary schools, 5 middle schools and 4 high schools. There are nearly 20,000 students, 1,200 who are English Language Learners, speaking over 50 languages in Boone County Schools.

From achievement in elementary, middle and high school to college and career readiness measures, Boone County Schools are taking bold strides forward in an extended period of state and federal budget cuts and financial pressure. The district was granted District Accreditation from the AdvancED Accreditation Commission, the national commission that confers the North Central Association Commission on Accreditation and School Improvement (NCA CASI) accreditation seal. This means that the district and all of its schools are accredited, and that Boone County Schools is recognized across the nation as a quality school system.

Boone County is a district that sets high expectations for students and provides a supportive atmosphere that produces student achievement. Schools are focused on academic rigor, real world relevance, and focused relationships with our parents, students, and community. The district is proud to be the home of two Kentucky Teachers of the Year, NEA Support Professional of the Year, National Merit Finalists, AP Scholars, Service Learning Award winners, athletic and academic champions.

Accomplishments like these are made possible by a world-class faculty and staff, the leadership of the Boone County Board of Education, parents, community members and the intrinsic drive of their students. This District takes great pride in their mission of Achieving Excellence Together. With a rich history of high achievements, quality teaching and efficient operations, Boone County Schools are helping to prepare today’s students for tomorrow’s world.

This handbook outlines student, parent, teacher and administrator rights and responsibilities and the expectations for each. And while we place high priority on academic achievement, our ultimate goal is to help foster young people who are a positive, contributing factor to society. We are focused on constructive relationships with our parents, students, and community.

I look forward to sharing a great school year with you!

Sincerely,

Randy Poe, Ed.D., Superintendent of Schools
PURPOSE OF CODE OF CONDUCT

The Boone County Board of Education believes the purpose of the Code of Conduct is to maintain a wholesome learning environment in the schools. The Board believes each individual student behavior incident should be considered and extenuating circumstances should always be reviewed for the welfare of the student. The Code is intended to act as a guide to ensure students are treated fairly, but be flexible enough to address individual student behavior incidents. This flexibility will enhance the learning environment.

The Code of Conduct applies to students and staff in the Boone County Schools. The Code will be reviewed annually.

The Code of Conduct, as adopted, will be supported by school expectations, rules and regulations and be primarily administered through the authority of principals of the Boone County Schools with the support of the instructional staff of the schools.

PHILOSOPHY

To ensure that an environment conducive to effective learning is maintained in the Boone County Schools, it is necessary to establish a consistent and effective discipline code.

The Boone County Board of Education recognizes its responsibility to prepare students for their role as adults in a democratic society. To accomplish this, there must be mutual respect and trust toward each other by students, parents, and school staff. The Code of Conduct is a vehicle for accomplishing this objective.

Effective learning is not possible without an environment that is safe, respectful, and responsible. Establishing behavior expectations that are taught and reinforced by all school staff members creates such an environment.

The Board of Education is entrusted with the mandate to educate all children until graduation or age twenty-one (21). They are committed to establishing an environment that is most conducive to learning, while protecting the individual rights and responsibilities of all.

ABOUT THE CODE OF CONDUCT

Each year Boone County Schools reviews the Code of Conduct. A committee of parents, teachers, administrators, and advocates meet to consider recommendations and to make needed revisions. Each local school safety plan is reviewed in like manner. The revisions are then reviewed by legal counsel, forwarded to the Superintendent and School Board for approval.

Questions concerning the Code of Conduct should be directed to:

POSITIVE BEHAVIORAL INTERVENTIONS & SUPPORTS (PBIS)

The Boone County School District facilitates the Positive Behavior Intervention and Supports (PBIS) framework which includes proactive strategies for defining, supporting, and teaching appropriate behaviors to create positive learning environments. Attention is focused on sustaining a three-tiered system of support to enhance student learning. Students often need encouragement and new skills to improve behaviors and assistance in learning to do so. School staff recognizes that maintaining and changing student behaviors involves a continuum of acknowledgements, supports, and interventions. (Center for Positive Behavior Intervention Supports, University of Oregon)

The Boone County School District has embraced Positive Behavior Intervention & Supports (PBIS) to enhance school climate and culture across the district. PBIS is a research-based model that studies have shown to improve student academic and behavior outcomes. Our schools strive to ensure all students have access to effective behavioral practices and interventions. PBIS provides a framework for analyzing school wide behavior referrals to make decisions and solve problems based on their individual school needs.

Parents and student(s) will notice PBIS in our schools when they see and hear each school’s clearly defined expectations for all school settings and by the rewards student(s) can obtain by meeting these expectations.

Successful PBIS implementation will help us:

- Have more engaging, responsive, preventative, and productive learning environments.
- Improve classroom management and address disciplinary issues based on data analysis.
- Improve supports for students whose behaviors require more specialized assistance.
- Maximize academic engagement and achievement for all students

PBIS schools organize their evidence-based behavior practices and systems into an integrated collection or continuum in which students experience supports based on their behavior responsiveness to intervention. A three-tiered prevention logic requires that all students receive supports at the universal or primary tier. If the behavior of some students is not responsive, more intensive behavioral supports are provided, in the form of a group contingency (selected or secondary tier) or a highly individualized plan (intensive or tertiary tier).

We believe every student deserves a safe, supportive, and orderly learning environment. We encourage appropriate behaviors by teaching, guiding, directing, and providing opportunities for new learning to occur. 7. Procedural due process and appeal related to disciplinary actions.
8. Be treated in a fair and equitable manner.
9. Consultation with teachers, counselors, and administrators.
10. Protection of property and physical well-being.

**Attendance**

Students are required to attend school regularly and punctually.

Any student who has attained the age of six (6), but has not reached his/her eighteenth (18th) birthday, who has been absent from school without valid excuse for three (3) events or more, or tardy without valid excuse on three (3) events or more, is a truant.

Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first (21st) birthday, who has been absent from school without valid excuse for three (3) or more events, or tardy without valid excuse on three (3) or more events, is a truant.

Any student who has been reported as a truant two (2) or more times is a habitual truant.

Truants shall be reported to the principal and then to the Director of Pupil Personnel both of whom shall take appropriate action up to and including referral to the court in accordance with Boone County Schools Attendance Guidelines.

Beginning with the 2010-2011 school year, attendance calculations will change from Full Time Equivalency (FTE) to whole-day/half-day. Daily attendance will now be represented as 0%, 50% or 100%. If a tardy exceeds 35% absent, it is then considered a half-day absence.

An excused absence or tardiness is one for which work may be made-up such as:

1. Death or severe illness in the pupil’s immediate family.
2. Illness of the pupil,
3. Religious holidays and practices.

8. Other valid reasons as determined by the Principal.

The parent/guardian shall notify the school stating the reason for the student’s absence. Without prior notification, an absence shall be designated unexcused. After a student has been declared truant, the principal may require a doctor’s statement to excuse the absence in accordance with school guidelines and SBDM Policy.

Make up work shall be permitted for excused absences only and must be completed within the time specified by the principal in accordance with school guidelines and SBDM Policy. It is the student’s responsibility to contact the teacher for make-up work.

Days missed due to suspension shall be considered unexcused absences for which no make-up of daily work shall be allowed.
PARENT/GUARDIAN RIGHTS

We believe every parent/guardian is integral to his/her student’s practice and success in making responsible and effective choices to reach their potential for career, college, and life readiness.
