BCHS DISCIPLINE, CLASSROOM MANAGEMENT, AND SCHOOL SAFETY POLICY

DISTRICT CODE OF ACCEPTABLE BEHAVIOR AND DISCIPLINE

A. DISTRIBUTION TO STUDENTS

(Boone County High School) will follow the (Boone County Schools) Code of Acceptable Behavior and Discipline.

During the first week of school, the principal (or principal's designee) will:

1. Notify each student where the electronic copy of the District Code of Conduct is located.
2. Require each student to return a signed Acknowledgement Form from his or her parent or guardian showing that the parent or guardian has seen and reviewed the Code.
3. Follow-up as needed with any student who has not returned the signed acceptance, or assign other staff members to do so.

The principal (or principal’s designee) will follow steps 1 – 3 above for all students new to the school during the year.

B. COMMUNICATION WITH STAKEHOLDERS

By the end of the first week of school, the (Boone County Schools) Code of Acceptable Behavior and Discipline will be posted on the school’s website, referenced in our school handbook, and communicated to all school employees, parents, and legal guardians, or other persons exercising custodial control or supervision of students including those students who enroll during the school year.

Before the beginning of each school year, the principal (or designee) will work with the district to develop a process to train employees, when necessary, in the use of the Code and/or to provide updated information to the staff, students, and parents concerning this Code.

SCHOOL SAFETY PLAN

Our school will maintain a School Safety Plan addressing procedures to provide a supportive, safe, healthy, orderly, and equitable learning environment for both students and staff. This plan will also address any issues identified by our stakeholders and issues required by state law.

SCHOOL SAFETY PLAN REVIEW

Our School Safety Plan will be reviewed every odd numbered school year by the Administration Team using the following procedures:

1. A data review of the overall trends in student disciplinary referrals and consequences for the previous year including trends disaggregated by gender, race, disability, and participation in free and reduced price lunch.
2. An analysis of the implementation and impact of the activities in the plan.
3. The council will be responsible for approving and adopting any changes to the School Safety Plan.

BULLYING:

B. VIOLATIONS AND REPORTING

Students who violate this policy will be subject to appropriate disciplinary action as outlined in the District Code.

Students wishing to report a violation or who believe they are victims may report it to any staff member of (Boone County High School) who will take appropriate action as defined by the Code. Staff will refer the report to the principal (or designee) for further action when the report involves an offense that may warrant suspension or expulsion of a student, any felony offense, or a report that may be required by law, including reports to law enforcement.

When a complaint is received that does not appear to be covered by this policy, the administrators will review other policies that may govern the allegations and take appropriate action.

C. RETALIATION

Other students and employees shall not retaliate against a student because he/she reports violation of the Code or assists or participates in any investigation, proceedings, or hearing regarding the violation. The Superintendent (or designee) shall take measures needed to protect students from such retaliation.

As provided in the Code, students who believe they are victims of these behaviors will be provided with a process to enable them to report such incidents to personnel for appropriate action.

DRESS CODE

All students at (Boone County High School) will follow a dress code. Attire that is deemed potentially disruptive to the educational process will not be permitted. NOTES ON USING THIS POLICY

TEACHER PROFESSIONAL GROWTH AND EFFECTIVENESS SYSTEM (TPGES): The underlined parts of this policy are aligned with the TPGES (2A, 2B, 2C, 2D, and 2E). These parts are intended to support teachers in their efforts to align their practice with the TPGES.

PRINCIPAL PROFESSIONAL GROWTH AND EFFECTIVENESS SYSTEM (PPGES): The procedures outlined in the sections DISTRICT CODE OF ACCEPTABLE BEHAVIOR AND DISCIPLINE, SCHOOL SAFETY PLAN, SCHOOL SAFETY PLAN REVIEW, SCHOOL-WIDE DISCIPLINE RULES, and RESPONSIBILITIES (for principals) of this policy help support principals in their efforts to align their practice with PPGES (2.7, 2.8, and 2.9).

SCHOOL-WIDE DISCIPLINE RULES: This section is optional. If you choose to include a section like this, the rules actually in place and unique to your school that are not covered in the District Code or your School Safety Plan should be listed.

RESPONSIBILITIES: These responsibilities should be revised to fit your school and the input you receive from your stakeholders.

BULLYING: The council needs to review the required district policies on bullying before writing their own policy. This sample policy must be adjusted to fit your particular school situation and level; for example, the staff assigned to various responsibilities and the timelines established may not fit your
situation.

There should be no need to reference in this policy all the laws involved in these issues because that should be covered in the district Code of Conduct document. However, you will want to include a copy of the District Code as an appendix with your policy manual for easy reference.

Before implementing this policy, councils may want to review the two documents: Guidelines to Assist School Districts Implement HB 91 (KRS 158.156) from KDE and Model Policies Related to Issues Found in KRS 158.156 from KSBA. Both documents can be found on the KDE web site.

**ELECTRONIC DEVICES:** If you choose to include this section, be sure your Acceptable Use Policy and Handbooks align with and address this issue as well as aligning with your district policy per KRS 156.675.

**LAW IN A BOX:** This sample policy is consistent with the SBDM law, KRS 160.345(2)(i)(7), which says this policy must include, as part of a comprehensive school safety plan, the responsibilities in this area of the:

- principal(s),
- teachers,
- counselor(s),
- parents, and
- students.

**NOTE:** This policy should include a reference to the School Safety Plan.
