

CONNER MIDDLE SCHOOL AFTERNOON PICK UP ROUTES

----- **Entering from the north or south and exiting north:**

Pick up in visitor / staff parking lot (next to softball field) and child walks across crosswalk. Please pull into a parking space (if available) to wait for child. Circle through lot and turn right only (2:30 pm -3:00 pm). **Do not stop and wait at crosswalk. This backs up traffic into the roadway.**

===== **Entering and returning any direction:**

Follow Cougar Path to the bus loop. Line up behind buses. First car should be 100' from buses. When buses clear loop proceed to pick up area. **This is the best option since the visitor/staff parking lot is very congested in the afternoon.**

**ALL HIGH SCHOOL STUDENTS PICKING UP
YOUNGER SIBLINGS AT THE MIDDLE SCHOOL
MUST USE THE BUS LOOP.**
