

Early College/ Dual Enrollment

Benefits of College Coursework

- Gives students the ability to take multiple college-level classes in the college setting while working towards their high school degree.
- Students who take part in the program save valuable time and money by completing multiple general education courses at the dual-credit tuition rate.
- Frees up the length of time in college for internships, additional majors, study abroad, and/or graduating early.
- Rigorous academic challenge similar to AP.
 - AP – teaching to a test, more rigorous and teaches great preparation/study skills. No guarantee for college credit.
 - Dual-Credit – College experience, guaranteed credit with passing grade, and a higher academic challenge than HS.

Dual Enrollment

- Some classes offered during course of school day on Ryle's campus.
- Limited communication from professors – midterms from NKU.
- Students follow calendar of respective college if off campus.
- More flexibility of classes – can take classes needed for your major.
 - Can go in the evenings, online or whatever accommodates your schedule.

Dual Enrollment at Ryle

Northern Kentucky University

- Pathways to Financial Success: FLC 101 (Spring)

Campbellsville University

- General Chemistry I: CHE 111 (Fall) and General Chemistry II: CHE 112 (Spring)
- Intermediate French: FRE 201 (Fall) and Intermediate French II: FRE 202 (Spring)
- Elementary Spanish I: SPI 111 (Fall) and Elementary Spanish II: SPI 112 (Spring)
- Intermediate Spanish I: SPI 211 (Fall) and Intermediate Spanish II: SPI 212 (Spring)
- College Algebra: MAT 115 (Fall and Spring)

University of Kentucky Next Gen Scholars Dual Credit Program

- Consists of 3 classes in the morning at 9 a.m., 10 a.m., and 11:00 a.m.
- Designed to meet the UK Core general education course requirements.
- Cohort model (students move through these period together)
- Collaboration between UK professor (virtual) and Ryle staff (on site).
- Classes held on Monday/Wednesday/Friday
- Tuesday/Thursday used for remediation or support

University of Kentucky Next Gen Scholars Dual Credit Program

- Entrance Requirements
 - 2.5 GPA and completion of 10th grade
- Classes held on Monday/Wednesday/Friday. Tuesday/Thursday used for remediation or support.
- Fall classes include:
 - CIS 110: Composition and Communication I (Fall)
 - HIS 109: US History since 1877 (Fall)
 - MUS 100: Introduction to Music
- Spring classes: TBD

Early College

- Students experience the courses at Gateway's Boone County Campus in their first year along with students from Boone County's 3 other high schools.
- Transportation is provided.
- Courses are offered in the morning, leaving time to return to Ryle for elective such as PLTW, band or choir.
- Students follow Gateway's calendar for breaks and weather.
- Some support provided
 - Starfish system at Gateway to flag attendance/grade issues

Three Different Institutions

NKU, TMU and Gateway: All three colleges come together to partner with the Boone County Schools. Courses are selected specifically for transferability and to be used as dual-credit. **Due to the State of Kentucky's Gen Ed transferability policy, Gateway and NKU general education courses will fully transfer to any other KY state institution.**

All three institutions have their own admission processes. Students need to complete the process for each institution they wish to take classes from.

Each institution enrolls students into their assigned courses. Questions regarding the courses should be addressed to the appropriate institution.

Entry Requirements:

	<u>NKU</u> (School-Based Scholars)	<u>TMU</u> (Gemini)	<u>Gateway</u> (Early College)
ACT	n/a	n/a	n/a
GPA	3.0+	3.5+	2.5+
Status	Junior or Senior		
To remain in courses	C or better in each course	2.0 GPA in TMU Courses	2.0 GPA in Gateway Courses

Courses being offered Fall 2020 & Spring 2021

Institution	Semesters	Course	Title	Notes
NKU	Fall 2021	ANT 100	Cultural Anthropology	
NKU	Spring 2022	PSY 100	Introduction to Psychology	
TMU	Fall 2021	HIS 114	US History Part I	
TMU	Spring 2022	HIS 115	US History Part II	Ryle graduation requirement
TMU	Fall 2021	MUS 245	History of Western Music	
Gateway	Fall 2022	ENG 101	College Writing I	
Gateway	Fall 2021	MAT 161	Statistics and Algebra	
Gateway	Spring 2022	ENG 102	College Writing II	Prerequisite: ENG 101
Gateway	Spring 2022	COM 181	Basic Public Speaking	
Gateway	Spring 2022	STA 251	Applied Statistics	Prerequisite: MAT 161
Gateway	Spring 2022	CHE 120	Chemistry in Society	Not intended for STEM careers
Gateway	Spring 2022	CHE 125	Chemistry Lab	

*****Courses subject to change according to availability.*****

How to get in

	NKU	TMU	Gateway
Online Application <i>(Found on college website)</i>	Yes	Yes	Yes
Disclosure/Parent Signature Form	Yes	Yes	Yes
Application Fee	No	No	No
HS Transcript	Yes	Yes	Yes
ACT/Placement Scores	No	No	Yes
AP Scores	If Applicable	If Applicable	If Applicable
Other Official College Transcript(s)	If Applicable	If Applicable	If Applicable

Associate Degrees

For students that take all courses and have additional credit (AP, CLEP, dual credit), it may be a possibility for them to earn an Associate Degree.

Gateway is a college that awards Associate of Arts and Associate of Science degrees. Any student who thinks they are on the path to earning this must meet with Chris Stout to have a degree audit completed. It takes a minimum of 60 college credit hours in specific areas to earn this degree.

Questions about earning the AA or AS degree should contact Chris Stout.
(chris.stout@kctcs.edu)

Cost of the Programs

Tuition	\$72/credit hour	\$72/credit hour	\$72/credit hour
Textbooks	\$75-125 Average	\$75-100 Average	\$50-\$125 Average

The above tuition amounts are for school year 2020/21. The 2020-2021 tuition will be announced in late spring or early summer. We generally see a slight increase from year to year.

Kentucky currently offers a Dual-Credit Scholarship for a max of two classes per student during their high school career. Information on this program can be found on the KHEAA website and search “dual-credit scholarship”.

Important Information

Registration into courses: The colleges will handle the registration into their courses. Students will be notified once they are enrolled.

Orientation: There will be an orientation held in May to orient students to the program at the Gateway Boone Campus. Information will be sent to students who are enrolled in courses at a later date.

Grades: Each college shares grades with the BCEC and high school staff.

Academic Calendar: Since the program is held at the Gateway Boone Campus, the BCEC program follows the Gateway Academic Calendar. This includes fall, winter, spring breaks, and any additional closings.

Inclement Weather: Students are to watch for Gateway delays or closings during inclement weather. Classes will be in session unless the college is closed.

Interested?

- Complete the Early College/Dual Enrollment Intent form during scheduling.
- Dr. Warford will work with you to complete next steps.
