Ryle High School-Large Gym

Welcome Future Ryle Raiders

You and one parent (DUE TO COVID WE ARE LIMITING THE NUMBER OF GUESTS FOR THIS EVENING TO ALLOW FOR SOCIAL DISTANCING) are cordially invited to Ryle High School to learn about Ryle and the courses that you will be able to choose from for your Freshman School year. Each student will receive a scheduling worksheet. We will have a presentation in the large gym to explain the scheduling process, deadlines, and timeline, and how to pick the best classes for your freshman year (there are a lot of options).

More information:

DUE TO COVID, we are limiting the number of guests for this evening. Each student may bring 1 parent. We understand that this is not ideal but it is the only way we can still have this evening.

COVID Protocols must be followed while in the building and all guests MUST wear a mask the entire time and temperatures will be taken at the door.

The scheduling procedures, timeline, materials, and other information can ALL be found on the RYLE website: Raider Basics→ Student Scheduling Information.

This meeting is optional. If you cannot attend or do not feel safe attending, do not worry! The Middle Schools will be working with your child and helping them through the process and all of the materials can be found on Ryle's website. We will also be posting a recording of the evening on the Ryle Website→Raider Basics→Student Scheduling Information→Incoming 9th Graders→Parent Night Recording.

Parents who have additional questions, can schedule an appointment with a Ryle Staff member on Monday, February 15th. These meetings can be requested by filling out the google form on Ryle's Website→Raider Basics→Student Scheduling Information→Incoming 9th Graders→Optional Scheduling Meeting. Link will begin to accept requests for meetings on February 9th. These will be in person meetings.

IGNITE: Students planning to attend IGNITE will not schedule at Ryle High School. IGNITE scheduling is handled through IGNITE in the Spring. BUT we welcome IGNITE students to attend this evening to see what Ryle has to offer and answer any Ryle related questions.
