

Spanish Dual Enrollment (201/202 ONLY!) Summer Assignment

Over the summer, you will be required to complete a summer assignment. The purpose of this assignment is for you to use and practice your Spanish a little over the summer so that you're not so rusty when we return to school in the August. The assignment is intended to be fun and to provide our class with conversation topics when we return to school. For this assignment, you will need to send me 3 postcards in which you include one of the following grammatical items in each:

1. One use of ser and estar
2. One use of preterit and imperfect
3. One use of present subjunctive

It does not matter the order in which you send these cards, but the "due dates" are listed below. Post cards not received by the following due dates will result in a grade deduction. You may mail the postcards before the due dates. You should mail the postcards to:

Kim Dirksing
c/o Cooper High School
2855 Longbranch Rd
Union, KY 41091

Due Dates:

June 30
July 16
August 11

In addition to the post cards, you must have the following tenses completed on the Verb Chart: present, preterit, imperfect, and present subjunctive by the first day of school.
