

Infinite Campus Grades Portal

Below you will find guidelines about logging into the various accounts that you will use while enrolled at Ockerman Middle School. Please share this information with parents, so that they can help you manage your passwords and login information, especially for grades.

Student Grades: By default, your username is your student ID# (this is printed on your schedule AND your teacher can look it up for you). Your temporary password after every summer is rest to your first initial, last initial and 6-digit date of birth (2-digit month, 2-digit day, 2-digit year). For example, John Smith, born on March 3, 2001 will have a default password of **js030301**.

When you log in for the first time, you need to create a new password

The screenshot shows the 'User Settings' page with a 'Change Password' section. It includes fields for 'New Password' and 'Verify New Password', a progress indicator at 0%, and a 'Save Changes' button. A red message states: 'The System Administrator has flagged your account to force a password change. Please change your password now.' Callout boxes provide instructions: 'Create a new password. We suggest your lunch code twice, followed by your initials.' and 'Put your default password here (first initial, last initial, 6-digits birthday)'.

Step 1 **Download the App**
Download the Infinite Campus Mobile Portal application from any of the following app stores:
Available on the App Store | GET IT ON Google play | amazon apps Available at amazon appstore for Android

Step 2 **Launch the Campus App and Enter your District ID**
