Consultation

Ms. Payne explained that the District has required us to provide council approval for the use of the Summit Learning Platform/Curriculum. This approval encourages and supports the District serving as our agent with the program.

- Mrs. Bisig verified that teachers will still be given the opportunity to adapt the curriculum as they see fit to best meet their content standards.
- Mr. Merten asked if this would require ALL teams to utilize the platform and whether it would impact Arts and Humanities teachers. Ms. Payne indicated that neither would be the case.
- Mrs. Forton expressed some concern about students finishing their Learning Path early in the school year but not having supplemental materials provided. Ms. Payne indicated that she didn't anticipate that would be a problem this school year due to intense teacher preparation.

Council approved the use of the Summit Learning Platform/Curriculum by consensus.

Adjournment

Council adjourned at 9:08AM by consensus.
