

Assessment of Individual Student Progress including Testing and Reporting

KRS160.345(3)(b)

KRS160.345(2)(j)

Responsibility – The administration of Ockerman Middle School shall be responsible for tasks associated with student assessment. These tasks shall include the following:

1. Develop and/or select assessment systems.
2. Recommend standards and procedures for administering school-wide student assessment programs.
3. Schedule all school-wide assessments.
4. Report results of all school-wide assessments.
5. Draw conclusions about assessment results and report to the council and the school.

Continuous Student Progress – In each class, in each marking period, students will complete formation and summative assessment activities to demonstrate their learning and to ensure continuous student progress. Teachers are responsible for making sure that these activities are aligned with state standards for all subjects.

Purpose – Assessment data in all subjects shall be utilized to improve instruction, inform program decision, and to communicate to families regarding student progress.
