

School Improvement Plan

KRS160.345(3)(c)

Responsibility – The school council shall be responsible for developing and monitoring the improvement of Ockerman Middle School.

Planning Process – The school council shall set priorities for improvements and shall coordinate specific plans with other standing committees. For example, if curriculum improvement is a high priority it will be the curriculum committee who will identify needs and help develop a plan-of-action for the curriculum.

Time Line – The school improvement plan shall begin with a review by the curriculum committee of state assessments within 30-days of public release of state assessment data. The curriculum committee shall then revise the current school improvement plan and submit for council approval no later than the January meeting.

Publication – Approved school improvement plan shall be posted on the OMS website and shall be forwarded to the central office for Board of Education approval.
