403(b) eligibility notice & approved vendor list

Re: Employee 403(b) Plan Annual Eligibility Notice

We are pleased to offer employees the opportunity to participate in the Boone County Board of Education 403(b) Plan. Participation is voluntary.

What is a 403(b) Plan?

A 403(b) Plan allows eligible employees the opportunity to save for retirement. Amounts contributed to the Plan are, in general, contributed on a tax-deferred basis. This means that the contribution is not subject to federal income tax or, in most cases, state income tax until distributed by the plan. This tax deferral also applies to any earnings on the contributions. Because the Plan is intended as a means of saving for retirement, distributions are limited to certain events.

Who is eligible to participate?

All employees are eligible to participate in the Plan except any students performing services at an employer location.

How much may be contributed to the Plan by employees?

The maximum amount contributed to the Plan is set by federal law. The limit set is an annual contribution limit:

For the 2020 tax year, the contribution limits are:

- | | |
|---|----------|
| • Basic salary deferral limit for all employees | \$19,500 |
| • Additional contribution for age 50+ catch-up | \$ 6,500 |

An additional catch-up contribution will be permitted for employees with 15 years of service with the employer. This additional catch-up limit, if permitted, requires the completion of a worksheet to determine eligibility for additional catch-up contribution.

Post-tax Roth 403(b) contributions are permitted under the plan. If Roth 403(b) contributions are permitted, see your provider for more information.

When is a distribution allowed under the Plan?

The 403(b) Plan is intended as a source of retirement income so there are withdrawal restrictions on the funds, including earnings. A withdrawal or distribution may be taken only for the following reasons:

- Attainment of age 59 1/2
- Severance from employment
- Total and permanent disability
- Death
- A “qualified reservist” distribution
- Financial hardship

Hardship distributions are permitted under the Plan if approved. If a hardship is taken, contributions to the Plan must cease for six (6) months following the distribution. Hardship distributions are limited to:

- Unpaid medical bills for participant or participant's spouse or dependents
- Expenses including tuition, room & board and any other related fees for the next 12 months of post-secondary education for the participant or their spouse or dependents
- Purchase of a primary resident (excluding mortgage payments)
- Prevent eviction from or foreclosure of primary residence
- Funeral expenses for immediate family members
- Expenses to repair damage to a primary residence if those expenses qualify for the deduction on the participant's income tax return.

May I change investment options under the Plan?

Employees are permitted to move all or a portion of the value of one investment option under the plan for another approved investment option under the plan. This transaction is called an exchange. These exchanges may be subject to withdrawal or contingent deferred sales charges.

What other transactions are permitted under the Plan?

Other transactions may be permitted under the Plan. The following list will indicate what options are available:

- Transfers into the Plan from another employer's 403(b) Plan
- Rollovers into the Plan from another eligible qualified plan
- Loans are available under the Plan subject to availability and any additional conditions that may apply under a Participant's 403(b) Individual Agreement
- Roth 403(b) or 401(k) direct rollovers into the Plan

Who are the approved investment option providers under the Plan?

The attached list indicates the providers that are approved investment option providers under the Plan. If you are not a current 403(b) Plan participant and you wish to participate, you should contact a provider on the attached list. You must complete a salary reduction agreement authorizing your employer to reduce your salary for the contribution amount. You must also complete the proper paperwork as required by the provider to establish your account with that entity. If your contributions were temporarily stopped, you must complete a new salary reduction agreement in order for your contributions to resume.

If my current 403(b) provider is not on the list, am I required to move my account balance to an approved provider?

No. There is no requirement that you transfer any existing account balances to a provider on the list. In fact, you should be very careful about entering into any transaction that would transfer balances to another provider. No transaction should be entered into unless you have all the information needed to determine if such a transaction is suitable for you and your retirement planning needs.

Is Plan approval required for all transactions?

The Plan has contracted with AFPlanServ for selected plan administrative services. Among the services provided by AFPlanServ is approval of salary reduction agreements for beginning or changing amounts and/or providers. Salary reduction agreements can be found on the website listed below.

The regulations require Plan approval of plan distributions and loans. The forms are available at www.afplanserv.com, or may be requested by calling 866-560-6415 (toll-free). The proper form must be completed. Certain transactions may require additional documentation. You should follow the instructions on the form. The form with requested documentation should then be sent to AFPlanServ. The mailing address is:

AF PlanServ
P. O. Box 269008
Oklahoma City, OK 73126

If approval is granted for the transaction, this approval should be forwarded to the provider. The provider may or may not require that the provider's forms also be completed to affect the transaction.

Who do I contact if I have questions?

If you have questions concerning account balances, the status of approved transactions, or investment option details contact your investment provider.

If you have questions on changing your contribution amount, contact your employer or investment provider.
