* See the Principal Selection Policy for procedures for this vacancy.

TIMELINE, APPLICATIONS/REFERENCES, and CRITERIA/INTERVIEW QUESTIONS

The principal or designee will:

1. Chair the Interview Committee and ensure that the Open Meetings Law is followed during all procedures for filling vacancies.
2. Establish a timeline for filling each vacancy.
3. Review and screen all applications and references.
4. Decide on applicants to interview and check references *taking into special consideration applicants with international, language, and/or cultural experiences and Fulbright teachers.*
5. Arrange all interviews including calling special meetings if needed.

The Interview Committee will:

1. Develop a set of criteria for a strong candidate. These criteria will not discriminate based on gender, ethnicity/race, marriage or family status, religion, political affiliation, disability, age, or other illegal grounds.
2. Use the criteria they have developed to write standard interview questions that fit those criteria. These questions will be asked of all candidates in an in-person interview.
3. Determine if information in the written application or résumé points to any specialized questions that should be asked of a particular applicant and develop those questions if they are necessary.

INTERVIEWS

The following procedures will be followed during scheduled interviews:

1. All the standardized questions will be asked of each candidate in the same order.
2. Following the standardized questions, specialized questions (if any) and follow-up questions (if any) will be asked.

3. At the conclusion of all interviews, committee members will discuss how well each candidate meets the criteria and any other input requested by the principal which may include a prioritized list.

CONSULTATION WITH THE COUNCIL

After interviews are complete, in a closed session the council will meet to discuss with the principal the findings of the Interview Committee and offer comments on the contributions each applicant could make and provide any additional input requested by the principal.

If a quorum of the council fails to attend this meeting, the principal may either call another meeting or declare an emergency and conduct the required consultation with the council members present so the hiring process can continue.

SELECTION OF THE PERSON TO BE HIRED

After considering the input from all individuals involved, the principal will make the final selection of the person he or she believes will contribute most to the success of the school's students and notify the superintendent and council of his or her choice. The decision made by the principal is binding on the superintendent who will complete the hiring process.

NOTES ON USING THIS POLICY

PRINCIPAL PROFESSIONAL GROWTH AND EFFECTIVENESS SYSTEM (PPGES): The process outlined in the section CONSULTATION WITH THE COUNCIL of this policy will help support principals in their efforts to align their practice with PPGES (3.1).

KRS 160.380: Beginning in July 2012, if an applicant is the spouse of the superintendent and meets the service requirements of subsection (2)(e) of KRS 160.380, the applicant shall only be employed upon the recommendation of the principal and the approval of a majority vote of the school council. If this situation could apply to your district, you may want to consider adding this provision to your Consultation Policy.

PROGRAM REVIEWS: This policy contains language that aligns with the program reviews proficient characteristics (Administrative/Leadership Standard, Demonstrator 1e). *This language is in italics.*

CONSULTATION WITH THE COUNCIL: Consultation for hiring as used in this policy is defined as a discussion between the council and the principal in a regular or special meeting. This process may involve advice, opinions, and even prioritizing but should not involve any decision making by the council.

CONNECTION TO COUNCIL BYLAWS: This policy should be referenced in your council bylaws in a section on council responsibilities. There is no need to restate the entire consultation policy into the body of the bylaws. The sample set of bylaws in KASC's Bylaws Kit models this.

LAW IN A BOX: This sample policy is consistent with the SBDM law, KRS 160.345(2)(h) which says the principal shall select personnel to fill vacancies ***after*** consultation with the school council and (2)(i)(11) which says this policy must include procedures to assist the council with consultation including, but not limited to:

- meetings,
- timelines,
- interviews,
- review of written applications,
- review of references, and
- addressing when council members aren't available for consultation.
