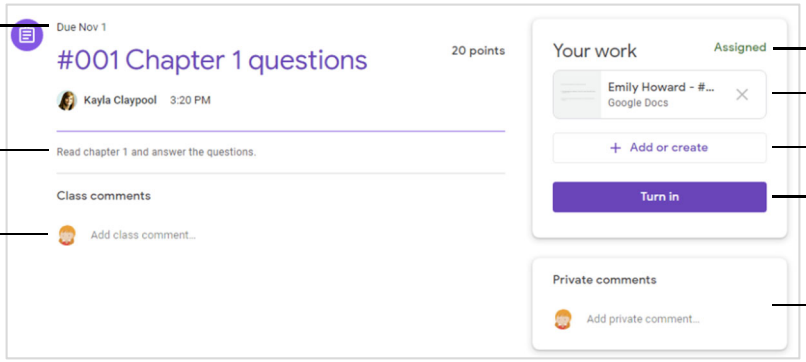
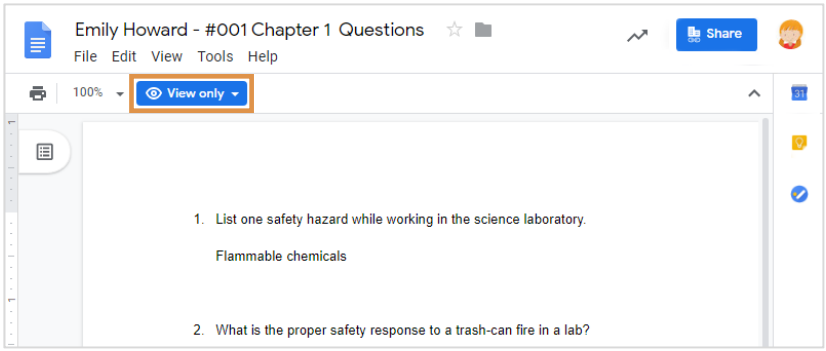
The Assignment Screen

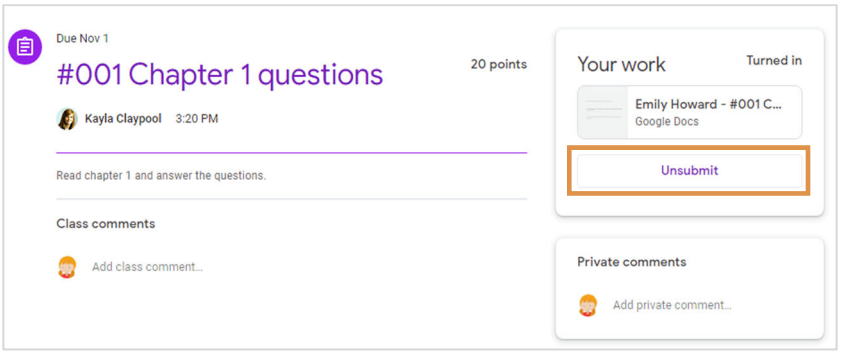


Document Sharing

Once an assignment is turned in, it becomes a view-only file. Ownership of the document switches to the teacher to prevent changes. You will still be able to see your responses, but you lose editing abilities.



Unsubmit Assignments



If the teacher has allowed it, an Unsubmit button appears after work is turned in. Unsubmit the assignment to gain back editing rights and make changes before the due date.

View Your Assignments

If the teacher displays grades in Google Classroom, you can check grades on the View your work page. Click the **Classwork** tab, then click **View your work**. This page displays all your assigned classwork with dues dates, as well as the status or grade received.
