GENERAL FEES, TEXTBOOK RENTAL, ATHLETIC FEES

Collection of fees became necessary when the State cut the amount of funds given to the schools for instructional materials. Fees collected are used for materials on the copy machine, film rentals, reference books, equipment repair/replacement, and special classroom supplies.

Certain classes may have additional fees for materials specific to that course. (Refer to the chart below.)

Students are issued an agenda book to be used during the school year for assignments and a hall pass. No replacement agenda books will be issued.

The state does not provide textbooks for students. It is necessary for schools to collect a non-refundable rental fee for books used in each class. For a semester course, the fee is \$8. Students will be required to pay for lost or damaged books.

Students who participate in an athletic, cheerleading or dance team program are required to pay a fee of \$35. This fee is payable to the coach before the student may

participate in activities, practice or contests. Students who participate on the Academic Team will be assessed a \$25 membership fee which does not include the cost of a uniform/shirt.

COUNSELING 2018-19

The Mission of the Conner High School Counseling Department is to support and enhance the development of ALL students academically, socially, and personally to become lifelong learners and successful citizens. The goal of the Counseling Department is to act as a resource for students, parents and teachers to eliminate barriers and maximize student potential. The Department will work collaboratively with administration, faculty, staff, students, and the community to assist students in developing the skills to reach this goal.

Students may see a counselor by making an appointment in the Counseling Office, located next to Room 112. Students will then be given an appointment card that must be signed by the teacher in order to leave your classroom. Our counselors are Mr. Ford and Mrs. Duane, who can provide career, academic, college and personal counseling. We will take walk-ins on an emergency basis. Students should make appointments either before school, after school, or during class changes; a pass will be given to students to return to class. Appointments must be made

either with Mrs. Aylor, Secretary, or with one of the counselors directly.

The Counselors are:

Mr. Joel D. Ford -- All students, last names A-K
Extension 45407 joel.ford@boone.kyschools.us

Mrs. Shirley Duane -- All students, last names L-Z Extension
45406 shirley.duane@boone.kyschools.us

Information is sent to parents and students electronically through Remind (text @connerguid to 81010), Infinite Campus, Canvas and through the Counseling Website found at www.connerhs.com (click on Guidance) as well as through the school announcements.

Communication With Colleges

Most local and state colleges will be visiting Conner High School throughout the year. These visits are conducted primarily through classroom visits, held from 10:15AM to 10:55AM or 1:45PM to 2:25PM. Junior and Senior students may sign up in the Guidance Office for their particular school of interest. Students are able to get information, ask questions, and meet their admissions officers (who, in many cases, are the same people that review their applications).

See the "Excused Absences" section of the Student Handbook for Attendance Procedures for taking visits to colleges. All students are strongly encouraged to use their Educational Enhancement Days to visit colleges as they begin the College Selection Process.

Transcripts

Official transcripts must be requested through the Parchment program (www.parchment.com) via an official transcript request. Official Transcripts can only be sent directly from Conner to the school of choice or in a SEALED envelope. Current students do not pay a fee to send transcripts; graduates must pay a fee to obtain transcripts. Unofficial transcripts are available upon request.

ACADEMIC INFORMATION

GRADING PERIODS

There are four nine-week grading periods during the school year. The 2018-2019 school year will be divided as follows:

Weighted and Unweighted GPA Calculations

Beginning with courses taken during and after the summer of 2015 all dual credit courses taken through the Early College program, dual credit offerings at each high school and any summer programs or extension program credits will count toward a students weighted and unweighted GPA. The credits will also count towards Kentucky Education Excellence Scholarship (KEES) amounts.

Parents/Guardians will be notified, with a progress report, during the fifth week of each grading period if the student is failing or doing unsatisfactory work. Report cards are normally issued one week after the end of the grading period. An incomplete grade must be made up as quickly as possible. The student must check with the individual teacher involved. If the work is not completed, the incomplete will be changed to a failure.

STUDENT INFORMATION

ATTENDANCE POLICY

We believe that good attendance is essential to be successful as a student and/or a contributing member of society. If students are absent frequently, their grades may be adversely affected. With block scheduling, make-up work can be overwhelming; students miss class participation, essential instruction, and other important class interaction. Therefore, keeping the benefit of the students in mind, the Conner High School attendance policy is as follows:

All attendance notes must be presented to the Attendance Clerk within 10 (ten) calendar days of the absence.

EXCUSED ABSENCES

A total of six events of absence per year will be excused with a note from a parent/guardian. "Event" is defined as any absence between 7:40 a.m. to 2:25 p.m. in a scheduled school day.

The following additional absences may be excused by the administration:

1. Family emergency.
2. Death of immediate family member.
3. Court appearance (with documentation from courthouse)
4. Doctor and dental appointments should be made after school hours. Students will be excused only when necessary for the time of the appointment—not all day if these are during school. Proof of doctor or dental appointments must be presented when the student returns. Doctor's notes may be verified by attendance clerk.
5. Extended illness must be accompanied by a doctor's note. Parents may request homework if the student is absent. Please allow 24 hours before picking up assignments in the front office.
6. Seniors are allotted two (2) excused college visit days provided they submit verification from the college they are visiting.
7. School field trips are not considered absences.
8. Parents/guardians need to call the attendance office at 334-4400 x 45415 when their son/daughter will be absent from school. A note from the parent/guardian is required when the student returns to school.
8. An automated computer system will call home when a student is absent.

Special note to all students: In order to participate or attend any school-sponsored dances (Senior Dinner Dance,

Prom, Homecoming Dance, etc.), sporting events or other extracurricular activities, students must be present at school on the day of or day prior to the activity for a Saturday event.

EARLY DISMISSAL

(A) A student must have written permission from a parent/guardian (including a day- time phone number) in order to leave early. This note must be presented to the Attendance Clerk before 7:40 a.m. Early dismissals should be held to a minimum and will be granted for doctor and dental appointments, sickness and family emergencies. All early dismissal notes will be verified by the office staff.

(B) The student must then sign out via the Main Office.

(C) Whether a dismissal is excused or unexcused will be determined by the administration.

(D) Students will be permitted to leave school once during the school year for either the permit or driving test with proof from the State. All others will be unexcused.

SWEEPS PROCEDURE

Each passing period, teachers will be in the hall monitoring behavior and directing traffic. It is the students' responsibility to act responsible in the halls and to get to class on time. All teachers will close and lock their doors when the bell rings. Once the doors are closed, students are to report to the designated teachers on the floor. Students will be given a tardy slip and sent to class after being processed in the sweep area. If the student does not report to the designated area, he/she will be considered to be skipping class.

Once the student reaches the classroom, he/she is to enter without causing any distractions. If the student is

unable to enter the room responsibly, he/she will be escorted to an administrator's office. Each teacher will have procedures outlined for the student to begin work.

Teachers will not allow anyone out of the room for the first and last ten minutes of class. Students must be sure to take care of all business before going to class. This means that students cannot be in the halls losing valuable time. If a student is in the hall after the bell rings, he/she is considered tardy.

Tardies will accumulate very quickly throughout the school year. The consequences for tardies are as listed below.

<u>UNEXCUSED TARDIES</u>	<u>DISCIPLINE</u>
1 – 3	Recorded without consequence
4 – 6	1 detention
7 – 8	Friday School
9+	Administrative discretion

“NO PASS/NO DRIVE” BILL (HB32)

The “No Pass/No Drive” Statute results in the denial or revocation of a student’s driver’s license for academic deficiency, or dropping out of school as a result of excessive or unexcused absences. Academic deficiency is defined as a student who does not have passing grades in three out of four courses in the preceding semester. A student is deemed to have dropped out of school when he/she has nine or more unexcused absences in the preceding semester. Any absences due to suspension shall be counted as an unexcused absence. Should you want to review the full text of this law, please use the Legislative Research Commission’s web site at the following address: www.lrc.ky.gov/record/07RS/record.htm.

VERIFYING COMPLIANCE

School Compliance Verification Forms are located in the main office. Parent signature is required prior to school verification. Students are to submit the School Compliance Verification Form to the main office before school or between classes. The Administration will verify compliance with the verification process taking a minimum of 24 hours.

ON CAMPUS PARKING AND DRIVING FOR STUDENTS

- Any failure to maintain these standards will revoke the parking privilege for remainder of school year.

THE FOLLOWING COULD RESULT IN PERMANENT LOSS OF PARKING PRIVILEGES:

- Leaving campus without following proper procedures- includes all passengers in the vehicle
- Loitering in the parking lot
- Allowing another student to use space or pass

PARKING

Students without parking permits shall not park anywhere on Conner High School campus to include: Goodridge Elementary, Conner Middle School and Boone County Area Technology Center. All cars parked on the campus without a permit are subject to tow without warning at owner's

expense.

OFF CAMPUS PARKING

Any students parking off campus in neighboring subdivisions must comply with all state laws and local ordinances pertaining to parking on public streets. Cars in violation of these specific laws and ordinances are subject to tow at the expense of the owner. These regulations may be found by logging in to: boonecountyky.org

DANCES AND SOCIAL EVENTS

Students have the opportunity to participate in several dances throughout the year. All students must be in “good standing” and must have approval of administration to attend all school dances and events. No alternative placement students are eligible to attend CHS dances. Only CHS students may attend dances held at the school unless prior approval has been obtained from the administration. (All student fees must be paid and students must be in good standing in order to attend.)

LIBRARY

The school library is open from 7 a.m. until 3:30 p.m. each school day. We emphasize the concept that the library is a place where students are to make use of library materials, not a social lounge. No food, drink, or chewing gum is permitted in the library. Students entering the library must have a library pass issued by their teacher (this includes the lunch period). Students are required to return to their classes five (5) minutes before the end of each period.

Books are checked out for two (2) weeks and can be renewed. Overdue charges are 10 cents per day. If fines reach a total of \$1 or more, a discipline referral will be sent and all library privileges will be suspended. All fines will continue to increase until the entire fine is paid, even if the book has been returned. An environment conducive to learning must be maintained in the library. Students should travel directly to and from the library.

LOCKER POLICY

Each student is furnished a locker with a built-in combination lock. The locker combination should not be given to anyone for any reason. Do not share lockers. Lockers should not be rigged to remain open without using the combination. Personal property or school texts that are damaged or stolen while in a school locker are the responsibility of each individual student. Money or other valuables should not be left in hall or gym lockers at any time. The lockers are the property of the school and may be opened for inspection when deemed necessary by the school administrators. Vandalism, including marking on the lockers, is forbidden. Lockers should be cleaned out on the last day of school. The school is not responsible for items left in the lockers after school is dismissed for the summer. Students should report any locker problems to one of the administrators immediately. Upon entering the building, all purses, book bags, coats, jackets and hats must be kept in lockers.

PURSE/BACKPACK POLICY

The purse/backpack policy is as follows: Purses/backpacks may be brought to school but MUST be kept in lockers during class. A pencil-size bag may be carried to the

classroom for personal items (does not have to be clear, but may not have shoulder straps).

LUNCH PRICES

Lunch prices for the 2018-2019 school year are: Students will pay \$.75 for breakfast and \$2.50 for lunch. Boone County Employee Adults will pay \$1.50 for breakfast and \$3.00 for lunch; Non-Employee Adults will pay \$3.00.

Free/Reduced Lunch Program applications are available in the main office, Food Services at the Boone County Board of Education at 859-282-5652 or online at <http://www.schoollunchapp.com/>.

Classes should report to the lunchroom on time and return to their rooms on time. Students should enter and leave the cafeteria using the doors in the lobby. The serving line will form on the right wall inside the cafeteria. Throwing anything is prohibited. Saving places or checking in lunch line is prohibited. Students should not have food delivered to school, nor have friends/family pick-up food and bring it to school for them. All food and drink must be consumed in the cafeteria. The cafeteria will stay as clean and neat as the students leave it. Students are asked to remain in the cafeteria during lunch periods. Other areas except in passing to and from class are unauthorized. This includes all areas inside and outside the building. All doorways and surrounding areas must be kept clear.

GUIDELINES FOR STUDENT CONDUCT

So that the student body has a frame of reference upon which reasonable conduct can be based, certain rules are

considered necessary. All students have the right to know the framework of procedures within which they are expected to assume personal responsibility for their actions and to know the disciplinary measures to be taken when they fail to show this personal responsibility. Customary consequences for actions are posted on the bulletin board outside of the Assistant Principals' offices.

In some cases, the specific penalty for an action may not describe the extent of the action taken. A student's record of discipline problems may find that one more serious violation is sufficient for suspension or expulsion no matter what specific penalty is listed.

The student is required to attend all classes on his/her schedule. Any failure to fulfill this obligation without prior permission constitutes a violation of school rules.

BUSES

Any student's behavior on or near a bus which is detrimental to the safe operation of that bus may lead to permanent suspension of bus riding privileges. Students may be assigned seats at any time at the discretion of the bus driver or Administration. (More specific rules of conduct related to buses may be found in the Boone County Code of Conduct booklet.)

CONDUCT BETWEEN STUDENTS

Conduct between students should be such that students, faculty nor visitors would be offended or embarrassed by their actions at school. Embracing and kissing are inappropriate and disciplinary action will be taken.

DANGEROUS OBJECTS

Any student who brings to school a dangerous object such as a pocket knife, chains, lighters, matches, laser pointers, etc. is subject to disciplinary measures and the instrument will be confiscated.

DRESS CODE

The wearing of any attire, cosmetics, presentation of extraordinary personal appearance, or any unsanitary body condition which in the judgment of the Administration significantly disrupts the education process or threatens the health of other students is prohibited.

The faculty and administration shall enforce the dress code. Students whose appearance does not conform to these rules will be asked to change clothing to meet this code. Repeated violations may result in further disciplinary action.

The following attire is permitted:

- Slacks or jeans of the appropriate size and length which do not drag on the floor or expose undergarments
- Shirts/blouses, sweatshirts or T-shirts which do not display vulgar, profane, sexually explicit or implied items, alcohol, tobacco or drugs, racially inappropriate items or any other items deemed to be offensive by the faculty, staff or Administration

- Bare torsos, see through mesh clothing, tube tops or swim wear
- Exposed undergarments
- Hats, caps, visors, head bands, bandanas or any other headgear

Building Principals have the flexibility to make adjustments to the dress code due to medical or religious reasons.

INAPPROPRIATE AMUSEMENTS

Electronics, CD players, radios and other sound-producing devices, playing cards, dice, etc., should not be brought to school. These items may be confiscated and returned to students or parents at the discretion of the Administration.

LOITERING

Loitering in the restrooms and entrance areas before, during, and after school is forbidden. Students should spend a reasonable amount of time in restrooms and not use them as meeting places. Two or more students in a restroom stall will constitute loitering. Students not under the direct supervision of a teacher, coach or sponsor should exit the building by 2:45 p.m. Students waiting for a ride may stay in the foyer outside the main office.

TELECOMMUNICATION DEVICES

Possession and Use

While on school property or while attending school-sponsored or school-related activities, whether on or off school property, students shall be permitted to possess and use personal telecommunications devices as described below:

1. Devices shall not be used in a manner that disrupts the educational process, including but not limited to use that:
 - a. Poses a threat to academic integrity, such as cheating,
 - b. Violates confidentiality or privacy rights of another individual,
 - c. Is profane, indecent, or obscene,
 - d. Constitutes or promotes illegal activity or activity in violation of the school rules, or
 - e. Constitutes or promotes sending, sharing, or possessing sexually explicit messages, photographs, or images using any electronic device.

2. Unless an emergency situation exists that involves imminent physical danger or a certified employee authorized the student to do otherwise, devices shall be turned on and operated only before and after the regular school day.
3. When students violate prohibitions of this policy, they shall be subject to disciplinary action, including losing the privilege of bringing the device onto school property and being reported to their parent/guardian. A violation also may result in a report being made to law enforcement. In addition, an administrator may confiscate the device, which shall only be returned to the student's parent/guardian.
4. Students are responsible for keeping up with the devices they bring to school. The District shall not be responsible for loss, theft, or destruction of devices brought onto school property.
