

Digital Tools that Require Parent Permission

Goodridge Elementary School will use the following tools: Google Classroom, Envision, Lexia, Dreambox, Clever, ST Math, RAZ Plus, and Seesaw. This is a tentative list and more could be added. By signing below, you give permission for your child to use the tools referenced above and others that may be added for instructional purposes.

Chromebook Care

By signing below, you agree to the following chromebook care. Students will:

- Leave all keys intact
- Carry the device with the lid down
- Refrain from storing it on the floor where it can be stepped on
- Refrain from eating and drinking around the chromebook
- Refrain from putting tape or stickers over the camera
- Keep it safe from children under the age of 5
- Refrain from placing items on top of the chromebook
- Be mindful to not leave the chromebook sitting on top of furniture
- Be mindful of the cord location as to not trip someone and cause damage to the chromebook
- Refrain from writing on or placing stickers on the chromebook

By signing below, you acknowledge that you give permission for your student to use the above mentioned programs and will abide by the chromebook care listed above.
