

Ockerman Elementary Site Based Policy 5.1

Ockerman Elementary School Determination of School Space

The Principal shall present to the SBDM Council a plan for the use of all school space during the school day. This plan shall be presented to the Council by the August Council meeting each school year for their approval. The Principal shall consider criteria based on class size, space needed for a program, accessibility for disabled individuals, supervision of students, safety, and overall effective teaching, learning, and management of the school.

Policy 5.1 of the Ockerman Elementary School Council's Policies was adopted on 2/23/2017 and signed by the following Council members:
