Ockerman Elementary School Improvement Plan Archiving Process

The Ockerman Elementary School Improvement Plan (SIP) shall be updated at least one time a year based upon K-PREP test data or the completion of one of the goals. The SIP items are to be removed from the plan after completion.

On the school's network server a public folder will be created so all teachers and administrators have access to "read only" archived files. A hard copy will also be kept with the SBDM Chairperson, SBDM Secretary, and the OES Library.

Policy 1.3 of the Ockerman Elementary School Council's Policies was adopted on 3/20/12 and signed by the following Council members:
