

How to Use BCS Compass Learning Odyssey on an iPad

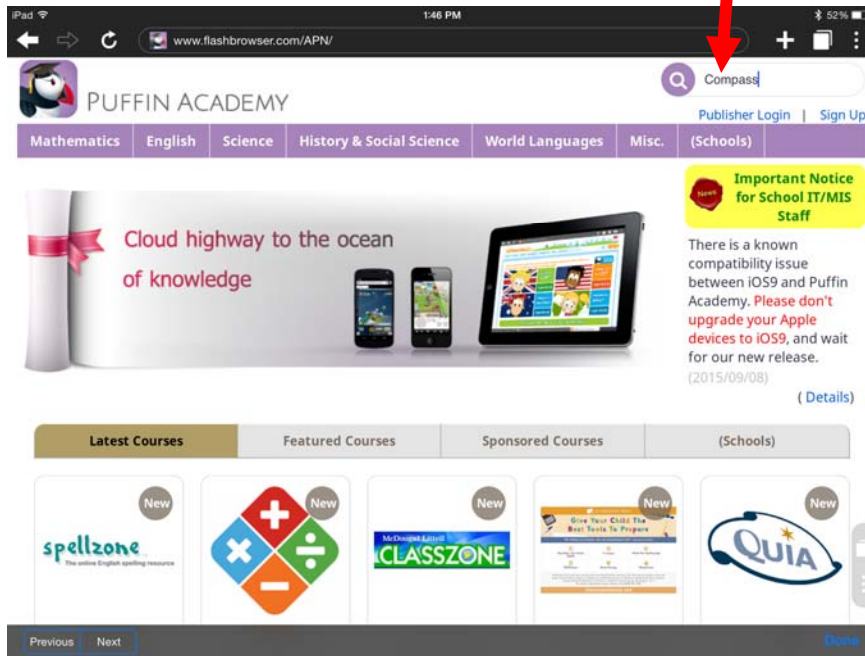

1. Navigate to the iTunes App Store and Download “Puffin Academy.”

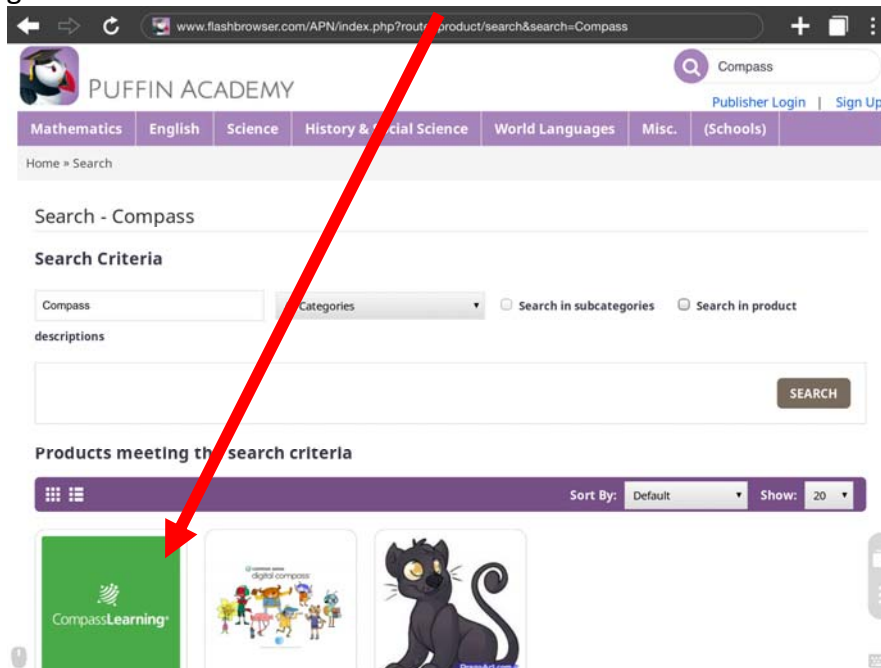

2. Once download, launch the “Puffin Academy” app. Click on the blue icon underneath the “Puffin Academy” text.

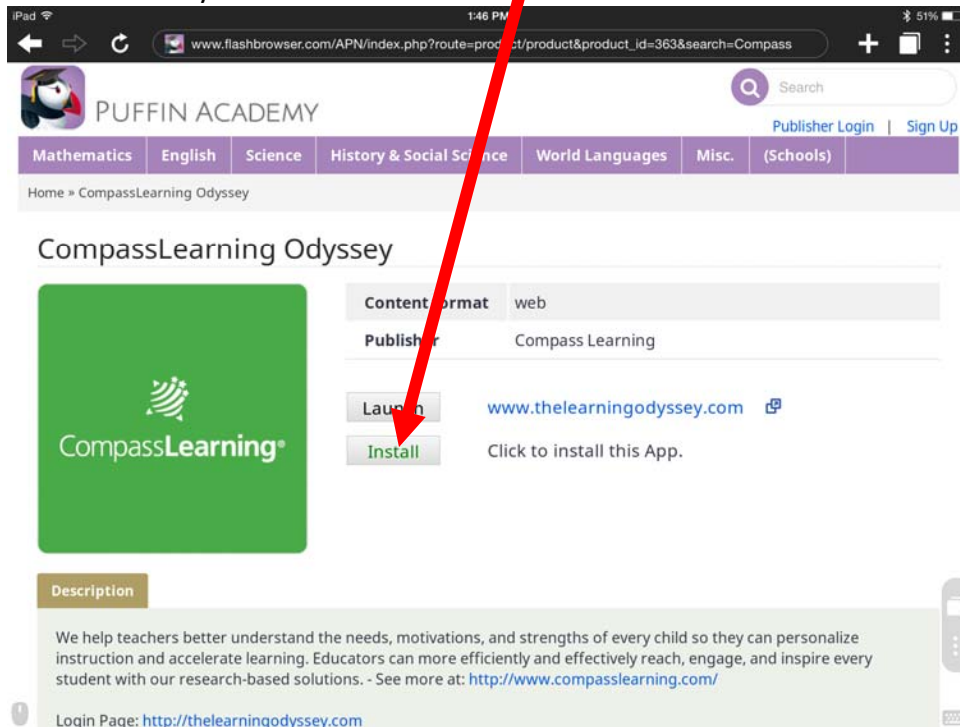

3. In the window that opens search for “Compass” in the search box located in the top right corner. Then click the magnifying glass to search.

4. The search results should return an icon for “Compass Learning Odyssey.” Click on the green icon.

5. On the screen that loads, click the “Install” button to add a quick launch icon to the Puffin Academy Launch screen.

6. Now when you load the “Puffin Academy” app you will see the “Compass Learning” icon. Click this icon for student and teacher access to Compass Learning.
