

THE ACE WEEKLY

CONGRATULATIONS

GRADUATE

A big congratulations to Dakota Hensley on earning his high school diploma last week from ACE. Dakota has worked very hard over the years to achieve this accomplishment and everyone at ACE is very proud of Dakota for all of his hard work, effort, and determination. Good luck in the future Dakota, we're all behind you and wish you the best!

TRANSITION TO HIGH SCHOOL

Last week Mrs. O's class completed an exciting unit on mythology and as a culminating project the students created their own myths. The students had a great time and created some outstanding myths. Good job students, keep up the good work!

REPORT CARDS

Last week was the end of the first grading quarter for the 2014-2015 school year. It's hard to believe the school year is already a quarter of the year complete. You will be receiving your report card this week. Good luck in the second quarter!

TRANSITION STUDENTS

Last week we had many students transition back to their home schools. Congratulations to all of those students and good luck in your new school setting. You are all very capable students and we look forward to hearing positive feedback on all of you. Current students, as we work toward the next transition date, please remember to have good attendance, good behavior, and good grades to ensure your transition back to your home school. Best of luck.

PBIS

This week, we will continue teaching and following our school-wide PBIS behavior system. Teachers please give reward tickets to students that are meeting behavior expectations. Student's please take your tickets to your homeroom teacher's collection box. At the end of each week, the student from each cluster that earns the most reward tickets, will receive an incentive. Also built into our PBIS system this year will be daily incentives and class period incentives. Please pay attention and become an expert at our PBIS system.

DID YOU KNOW?

The World Series begins this week. It will be a best-of-seven game matchup between the San Francisco Giants and the Kansas City Royals. The Giants have won the series twice in the last four years, however, this is the first trip to Fall Classic for heavily-underdog Kansas City Royals since they last won the series in 1985. The last time the Reds participated in the World Series was 1990.
