

# New Haven Elementary

## Welcome!

I am Mary Goble, principal of New Haven Elementary and I want to welcome you to our school. We are a PK-5<sup>th</sup> grade school located in Union, Ky., and are 1 of 14 elementary schools within the Boone County School District.

New Haven is one of the original schools within Boone County, established as a K-12 school in 1931. There is a rich history and many proud alumni who found within our county. New Haven continues to grow in enrollments, currently educating over 900 students. We have an amazing community who supports the school, and many stakeholders who are regularly involved in all of our activities.

Beyond our state aligned standards, we also offer Spanish to all of our students, a STEM lab, unified arts, and technology classes. Our school not only provides an excellent learning environment, but also believes in providing a variety of extra curricular opportunities that grows the whole student. Our school offers academic team, odyssey of the mind, future problem solvers, Lego league, basketball (girls/boys), cheerleading, running club, drama club, choir, Mozart strings, and young rembrandts to name a few. We also have in school opportunities for many students such as energy club, student council, STLP (tech), and media club.

We believe in a strong relationship between school and home, and encourage open communication. We value the perspective that parents can offer as a partner in educating our students. You can find

information regarding activities, events, and ways to get involved through our webpage, newsletters, Facebook, and Twitter feed. Teachers and staff also regularly use email and remind accounts to keep families in the loop. Another pertinent avenue to stay involved and be a regular voice in our school is to join our PTA. Our PTA is a growing community of parents and teachers that are unbelievably dedicated to our students and their enhanced experience at New Haven. We couldn't do half of what we do without them.

I hope that you enjoy your experience at New Haven, and if you have any questions please feel free to reach out to us!

Thank you,

Mary Goble  
Principal
