Parents/Guardians of Gray Middle School Students:

Gray Middle School's Mission Statement is, *“Through a focus on Academics, Relationships, and Service... Gray Middle School is committed to making the middle school experience meaningful for all students.”* This year we are beginning a new endeavor to encourage all GMS students to complete 5 hours of community service.

Our hope is to empower our students to create a habit of giving their time and talents to others. We plan to expand this initiative next year to be a requirement for each student to complete 5 hours of community service for every year of attendance at GMS.

Service hours should be completed outside of the regular school hours. Some ideas for service hours include:

- 6th Grade 20% project
- Club Activities Related to Service
- Pick Up Trash at the Park or around your neighborhood
- Cut your neighbor's grass
- Shovel Driveways/Rake Leaves for the elderly
- Tutor/Mentor another student
- Volunteer for Community/School Events

Please help us in our endeavor to empower our students to build a habit of service in their daily lives.
