Randall K. Cooper

*The Man We Honor*

Randy opened Larry A. Ryle High School in August, 1992. For the following fourteen years, he dedicated himself to the students, teachers, and community of Union. His dedication and commitment to his students and staff were unquestionable. He led with integrity, passion, and good old common sense.

On Saturday afternoon, May 27, 2006, Randy graduated the Ryle High School senior class of 2006. As was his custom prior to the graduation ceremony, he moved through the line of seniors congratulating each one. Afterwards, he met with families, posed for photographs, shook hands, and gave hugs. Later that evening, he drove to Raceland for a quick visit with his parents and traveled on to Charlotte, N.C. to spend the weekend with his sister watching NASCAR. On Sunday morning, while standing at the gate of the Lowe’s Motor Speedway, he suffered a massive heart attack.

At Ryle’s graduation ceremony, only hours prior to his death, Randy spoke of the challenges facing the graduating seniors. He told the seniors...*life is not fair, get used to it.* Certainly, his death at fifty-four years old does not seem fair. However, his life epitomized another quote he often recited, “It isn’t how long you live...it is how well you live.” Randy lived well.

A Message From the Principal

On behalf of the faculty and staff of Randall K. Cooper High School, we welcome you to our beautiful campus. Our staff is ready to begin an exciting school year, which will be enjoyable and successful for you. It is my desire for you to become involved in your school and with your help we will establish traditions that will make memories for a lifetime.

As you journey through your high school years, you will have many opportunities to participate in challenging and exciting activities and learning experiences. While keeping your eye on the prize of graduation, I encourage you to take time to enjoy your journey. It is my hope that you will participate in and experience as many opportunities as you can. Take chances, try new things and push yourself to reach new levels. These experiences, along with good study habits and active participation in class, will allow you to identify interests, develop plans and attain skills. In turn, this growth will pave a road to success and build a foundation for a life of learning.

Our campus is an educational community. As with any community, our effectiveness is largely dependent upon the interactions and the relationships we build with each other. If each individual member of our learning community is to reach their full potential, we must maintain an environment that is supportive and safe. We must work together and strive to be a place where each person feels they can Begin, Belong and Grow; where each person is valued for their unique strengths, and where we offer assistance and support for those in need. If we can embrace each other’s strengths and devote our energies to teaching and learning, we will create an atmosphere where all can Aspire, Achieve, and Excel.

Join me in making this school year the best!

D. Michael Wilson
Principal

Positive Behavior Intervention System (PBIS)

RCHS Student Expectations

JAG

Safety
Work Ethic
Accountability
Give Respect

At Cooper High School, we are dedicated to fostering a positive learning environment and equipping our students academically and socially for the real world. A major component to help ensure we meet these objectives, is our school-wide expectations and Positive Behavioral Intervention and Support (PBIS) program. Clear and consistent expectations are posted throughout the building and expected behavior is taught directly.

At Cooper High School, our students have JAG SWAG. In everything we do, we are expected to demonstrate the four elements of SWAG: Safety, Work Ethic, Accountability, and Give Respect. Students are rewarded for exhibiting these four key pieces of positive behavior and “doing the right thing” with incentives and our reward system. For more information on PBIS, please visit www.kycid.org.

Randall K. Cooper High School adheres to all rules and regulations of the Boone County Code of Conduct.

VISITORS AND DELIVERIES TO STUDENTS
Each visitor is required to sign in, show photo identification at the desk in the main office, and wear a Visitor’s Nametag at all times in the building. This registration is absolutely essential for visitors so the School Resource Officer and other staff will be able to identify persons who have authorization to be in the building. **Board policy prohibits us from allowing students from other schools to spend the day with our students.** No exceptions will be made, except for foreign exchange students who have been approved in advance.

Students are not permitted to have outside fast food items delivered to them. Also, items such as balloons and flowers will not be delivered to students during the school day. Students will need to pick up such items in the main office at the end of the school day. This can be a distraction to the educational process. All student deliveries could require search, and will also require ID and log of drop off.
For the safety and confidentiality of all students and staff, parents (guests) are not permitted to visit a classroom or eat lunch with students. Please direct questions to administration.

RCHS does encourage parental involvement, please see Parent Participation section for details.

CLOSED CAMPUS

Randall K. Cooper High School is a closed campus. Students who leave campus before the end of a school day must obtain written permission from their parent/guardian and administration. Students are not permitted in the parking lot during the school day except when arriving/leaving campus, unless they have written permission from the administration.

LOST AND FOUND

Lost/found articles should be turned into the main office. The school, however, is not responsible for the replacement of lost or stolen items.

PARENT PARTICIPATION

Randall K. Cooper High values the important role parents play in the educational process. We encourage parents to participate in a variety of venues.

PTSO (Parent Teacher Student Organization): We have an active PTSO that supports the school in a multitude of ways throughout the school year. If you are interested in volunteering in any capacity for the school, please consider joining the PTSO for resources and information. (All volunteers must have an up to date background check on file). See the PTSO section of the RCHS website for specific details.

Booster Organizations: If your child is involved in athletics or in the school band, please consider supporting the Athletic Boosters or the Band Boosters.

SBDM (School Based Decision Making): Each year RCHS hold parent elections for the two members that will serve on the SBDM. Parents are also encouraged to attend meetings as many important school decisions are made by the SBDM.

SCHOOL BUILDING AND PROPERTIES

Randall K. Cooper High School was funded by and is maintained with Boone County tax monies. Damage to the building, equipment, buses, books, outdoor facilities, and property must be paid for by the community. Help protect our school by refraining from damaging the property and reporting any such damage committed by others. Persons committing such acts of vandalism will be held accountable. Let’s all take pride in our beautiful facility and help keep Cooper High School an outstanding school!
RCHS ATHLETICS

Cooper High School encourages athletic participation for all students at all levels. Research validates that athletics is an important link in school success. Cooper High School will offer the following sports:

Fall Sports: Cross County, Football, Golf, Soccer, and Volleyball
Winter Sports: Basketball, Bowling, Swimming, and Wrestling
Spring Sports: Baseball, Softball, Tennis, and Track

ATHLETIC MISSION STATEMENT

An interscholastic athletic program as a co-curricular activity is an integral part of the total educational and growth experience at Randall K. Cooper High School. Student-athletes, coaches, and parents are called upon to work together in a true spirit of sportsmanship to assist in creating an environment in which positive values can be revealed, tested, and proven relevant both to participants and the entire school community.

ATHLETIC CODE OF CONDUCT

The administration is responsible for the athletic program at Randall K. Cooper High School and for the satisfactory conduct of each and every athlete. Participation in athletics is a privilege and student-athletes are expected to represent their school, team, coach, and themselves in a positive manner. Therefore, we will require that students participating in athletics must do the following:

1. ACADEMICS: On a weekly basis, a student shall be passing in at least four hours of instruction as defined by Kentucky Board of Education regulations (of the six (6) hours of instruction required) or the equivalent of four (4) hours of instruction acceptable to graduation in order to be eligible to participate in athletics during the subsequent week. The athletic director will notify the staff weekly of student-athletes who are not eligible to play. During the period of ineligibility, athletes are prohibited from practicing or playing on the school team.

2. ATTENDANCE: Student-athletes must be in attendance for at least one-half of the school day to participate or compete in game or practice. If a student is absent on Friday, they are not eligible to participate or compete in games or practice over the weekend. Student-athletes with an excuse from parent(s) may be exempt from school and permitted to practice or compete on a particular day. An administrator must approve these absences.

3. ATTENDANCE: Students with 9 or more unexcused absences will be ruled ineligible for the remainder of the year. A student will be notified once they have 9 unexcused absences.
4. **PHYSICAL EXAM AND CONSENT FORMS**: No student will participate in athletics without the proper paperwork on file with the school. This includes, but not limited to, a doctor’s physical exam and permission consent form.

5. **ELIGIBILITY**: Athletes must be in the proper grade level at the beginning of each school year. They must also move with their class to the next grade level. Beginning at the freshman level, high school athletes are permitted to have eight (8) consecutive semesters of eligibility. Two (2) semesters shall constitute a school year. All KHSAA rules and requirements will be enforced regarding eligibility.

6. **FEES**: Athletes are required to pay athletic fees to participate in sports.

7. **ATHLETIC LETTERING POLICY**: An athlete can only earn one (1) varsity letter during his/her high school career. An athlete must achieve at least 25% participation in their respective sport to earn a letter. Each sport will provide one (1) bar per year. The head coach and athletic director reserve the right to give out letters for special circumstances.

**WHAT IS THE KENTUCKY WORK ETHIC DIPLOMA?**

The concept for a regional Work Ethic initiative was brought to the Northern Kentucky Chamber of Commerce in 2000 by employers that felt students were not completing high school with the soft skills needed to be successful employees. With the input of area educators, business leaders and post-secondary representatives, standards were developed to measure work ethic in students.
The Work Ethic Program is designed to:

- Supply Northern Kentucky employers with skilled workers.
- Produce an emerging workforce prepared to face the challenges of a global marketplace.
- Be a filter for hiring and selecting candidates that have demonstrated knowledge, skills, abilities, and commitment to work.
- Reinforce the value of positive Work Ethic and commitment to successful employment.
- Recognize a common, identifiable metric of work habits.
- Develop and improve soft skills of Northern Kentucky students.

Since its inception, the Work Ethic Diploma initiative has been a great success in area high schools with over 10,000 students receiving the special diploma from the Northern Kentucky Chamber of Commerce. Currently, 22 high schools across the region are implementing the program, with an average of 1500 recipients each school year.

RCHS STUDENT INFORMATION
Listed throughout this section are various policies that provide guidelines, interpretation of these policies are ultimately at the discretion of the school administration.

ATTENDANCE POLICY

ABSENCES
Educational research indicates that a significant correlation exists between attendance and grades in school. The attendance policy at Randall K. Cooper High School reflects the belief that students’ academic success depends on regular, punctual attendance. Good attendance is essential if a student wishes to receive the knowledge and skills necessary to perform adequately in the classroom and the professional world.

An ABSENCE is defined as being absent during any part of the school day 60 minutes or more. ALL student absences require a written note signed by a parent or legal guardian upon a student’s return to school. Students are responsible for turning in all absence notes. Cooper High School will not accept notes that are FAXED or COPIED. Original notes are required and should be delivered by the student to their first period teacher. Students will have one (1) week upon his/her return to provide an excuse note or the absence will remain unexcused.

Cooper High School will allow six (6) absences throughout the year to be excused with only a parent note. Whenever a doctor/dentist note is available, please bring it in so that the six (6) absences on parent signature alone can be used as needed. More than six (6) absences will require a note from a doctor or another official source.
**EXCUSED ABSENCES** are absences from school caused by illness, death in the immediate family, personal injury or any other absence defined by the principal or his designee as a valid excuse. Any student with a valid excuse will be provided the opportunity to make up his/her missed work, within a reasonable length of time as decided by the principal. Please see the following:

1. **Illness** - Six (6) excused absences per school year when a parent note is submitted. The administration may approve additional days based upon the circumstance.

2. **Death in the Immediate Family** - A funeral card/program must be submitted to be excused with a funeral note - (One [1] day is given for funerals).

3. **Doctor or Dental Appointments** – Appointments should be scheduled after school hours if possible. An original doctor note should be submitted upon the student’s return.

4. **Court Appearances** – A note from the court should be submitted upon the student’s return.

5. **Appointment for Driver’s Test** – A note from administering official or the official tally sheet should be submitted upon the student’s return.

6. **College Visit** – Seniors are permitted three (3) college visits, Juniors are permitted two (2) college visits and Sophomores are permitted one (1) college visit per year. Please submit proper documentation from the college.

7. **Educational Enhancement Opportunity** – An EHO day is a prearranged absence. An EHO form must be submitted and approved by the principal PRIOR to the date of absence. Following the absence, a summarative report (one (1) page per day taken) must be submitted on the day the student returns to the attendance office in order for the EHO to be used. An EHO form and report requirements can be found on Cooper’s website or in the office.

**UNEXCUSED ABSENCES** are those for which no legitimate cause is shown or given. All days of suspension will be considered unexcused. Students may not receive credit for unexcused absences. Per the Kentucky Revised Statues (KRS 159.150):

**Please Note:** Any student who has attained the age of six (6) years, but has not reached his/her eighteenth birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is truant. Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first birthday, who has been absent from school without valid excuse for three (3) or more days, or tardy without valid excuse on three (3) or more days, is truant.
TARDIES

Students who arrive late to school must report to the main office. At Cooper High School, students are expected to be in the classroom preparing for class at 7:40 a.m. Students arriving after the aforementioned time, who were not on a late bus, are considered tardy to school and must report to the attendance office, sign in as being late to school and receive an admit slip to first period. A student absent during the school day 59 minutes or less will be considered tardy. Students may receive three (3) excused tardies per year when a parent note is submitted or parent signs student in/out. The administration reserves the right to decide upon the validity of the tardiness.

EARLY DISMISSAL PROCEDURE

A parent/guardian picking up a student during the school day should come to the main office to sign the student out of school. Driving students who need to leave during the day for appointments must bring a note from parent/guardian giving student permission to leave school. This note should be presented to the office by 7:40 a.m. The school is responsible for the safety of each student, therefore, parents (or any other adult picking up a student) must show identification before students can be released AND must be listed on the student information card kept on file at the school. These forms will be sent home at the beginning of the school year.

Please follow the steps below when driving students are leaving:

1. If a student needs to leave for an appointment during the school day, he/she should bring a note from his/her parent stating the student’s full name, date, dismissal time and reason. This note should be presented to the attendance office when the student arrives at school.
2. The attendance office will call to verify permission from the parent. This call will be made regardless of the student’s age.
3. The student should report to the main office to officially sign out of school before leaving the building at that appointed time.

LOCKERS
Each student will be furnished a locker with a built in combination lock. Students are to use only the locker assigned to them. It is very important that students do not bring valuables to school or leave money and other valuables in their locker. When using PE lockers during class or Athletic lockers for after school activities (including the field house), students are to bring their own combination locks to secure their belongings.

Lockers are the property of the school and may be opened for inspection when deemed necessary by the school administrators.

Damage or theft of student belongings, including school texts and personal property, while in a school locker is the responsibility of each student. A student should not share their combination with anyone or place possessions in an unlocked locker. Students should not rig their lockers in any way to ease/assist the opening in a quicker fashion. This may compromise the safety of the contents.

1. Student must meet all requirements of the Kentucky No Pass No Drive statute at the time of application. **NO PASS/NO DRIVE BILL**

HB 32, amending KRS 159.051 became effective June 26, 2007 and is intended to support dropout prevention and to provide an incentive for students to stay in school and pass their courses. The “No Pass/No Drive” statute results in the denial or revocation a student’s driver’s license for academic deficiency, or dropping out of school as a result of excessive or unexcused absences. Academic deficiency is defined as a student who does not have passing grades in at least four courses of the six (in a traditional schedule) in the preceding semester. A student is deemed to have dropped out of school when he/she has nine (9) or more unexcused absences in the preceding semester. Any absences due to suspension shall be unexcused absences.

- Students may drink clear flavored water in the original bottle.
- Students may not drink soft drinks, tea, juices, etc. in class. Water only!
- Students may not bring a personal waterbottle to class.
