Randall K. Cooper
The Man We Honor

Randy opened Larry A. Ryle High School in August, 1992. For the following fourteen years, he
dedicated himself to the students, teachers, and community of Union. His
dedication and
commitment to his students and staff were unquestionable. He led with integrity, passion, and
good old common sense.

On Saturday afternoon, May 27, 2006, Randy graduated the Ryle High School senior class of
2006. As was his custom prior to the graduation ceremony, he moved through the line of
seniors congratulating each one. Afterwards, he met with families, posed for photographs,
shook hands, and gave hugs. Later that evening, he drove to Raceland for a quick visit with his
parents and traveled on to Charlotte, N.C. to spend the weekend with his sister watching
NASCAR. On Sunday morning, while standing at the gate of the Lowe’s Motor Speedway, he
suffered a massive heart attack.

At Ryle’s graduation ceremony, only hours prior to his death, Randy spoke of the challenges
facing the graduating seniors. He told the seniors...life is not fair, get used to it. Certainly, his
death at fifty-four years old does not seem fair. However, his life epitomized another quote he
often recited, “It isn’t how long you live...it is how well you live.” Randy lived well.

A Message From the Principal

On behalf of the faculty and staff of Randall K. Cooper High School, we welcome you to our beautiful campus. Our staff is ready to begin an exciting school year, which will be enjoyable and successful for you. It is my desire for you to become involved in your school and with your help we will establish traditions that will make memories for a lifetime.

As you journey through your high school years, you will have many opportunities to participate in challenging and exciting activities and learning experiences. While keeping your eye on the prize of graduation, I encourage you to take time to enjoy your journey. It is my hope that you will participate in and experience as many opportunities as you can. Take chances, try new things and push yourself to reach new levels. These experiences, along with good study habits and active participation in class, will allow you to identify interests, develop plans and attain skills. In turn, this growth will pave a road to success and build a foundation for a life of learning.

Our campus is an educational community. As with any community, our effectiveness is largely dependent upon the interactions and the relationships we build with each other. If each individual member of our learning community is to reach their full potential, we must maintain an environment that is supportive and safe. We must work together and strive to be a place where each person feels they can Begin, Belong and Grow; where each person is valued for their unique strengths, and where we offer assistance and support for those in need. If we can embrace each other's strengths and devote our energies to teaching and learning, we will create an atmosphere where all can Aspire, Achieve, and Excel.

Join me in making this school year the best!

D. Michael Wilson

RCHS Student Expectations

JAG

Safety
Work Ethic
Accountability
Give Respect

At Cooper High School, we are dedicated to fostering a positive learning environment and equipping our students academically and socially for the real world. A major component to help ensure we meet these objectives, is our school-wide expectations and Positive Behavioral Intervention and Support (PBIS) program. Clear and consistent expectations are posted throughout the building and expected behavior is taught directly.

At Cooper High School, our students have JAG SWAG. In everything we do, we are expected to demonstrate the four elements of SWAG: Safety, Work Ethic, Accountability, and Give Respect. Students are rewarded for exhibiting these four key pieces of positive behavior and “doing the right thing” with incentives and our reward system. For more information on PBIS, please visit www.kycid.org.

Randall K. Cooper High School adheres to all rules and regulations of the Boone County Code of Conduct.

REMEDIATION

GRADING CATEGORIES
Grades will be divided into two categories: Assignments and Assessments. Assignments will make up 30% of the yearly grade and Assessments will make up 70% of the yearly grade. There will be no extra credit awarded in this course. A final exam will account for 10% of a student’s final overall grade.

Examples of Assignments may include the following: classwork, homework, meeting a deadline, participation in an activity or discussion, etc.

Examples of Assessments may include the following: unit tests, quizzes, projects, writing pieces, and presentations, etc.

LEARNING AND RELEARNING
At Cooper we value learning and understand that sometimes students do not learn at the same pace. We also know that many students need to develop better habits such as completing and turning in work on time, doing homework, spending time outside of class studying, and not falling behind in classes. To help improve learning and school habits, Cooper is adopting the following in all classes as it relates to learning, meeting deadlines, and reassessing:

- Students must turn in all Assignments before the initial unit assessment (or completion of a unit) in order to receive a score for those Assignments.
• Students who have not reached mastery on an assessment (less than 90%) may retake that assessment to replace the grade if they made a valid first attempt.

• In order to retake an assessment, students must complete relearning before retaking the assessment. This relearning is approved by the teacher but will not directly affect the course grade. Relearning may include one or more of the following: attending tutoring, completion of all relevant Assignments, completion of additional work, test corrections, completion of an online module, etc.

• The deadline for completing a reassessment is determined by department, but at least 10 days after the initial assessment.

Teacher discretion will be used when necessary.

TRANSFER CREDITS

Any transfer grades received with only a letter grade will be interpreted as follows:

A+ = 100, A = 95, A- = 90, B+ = 89, B = 85, B- = 80, C+ = 79, C = 75, C- = 70, D+ = 69, D = 65, D- = 60, F = 59

CALCULATING GPA/CLASS RANK

Grade Point Average (GPA) is calculated using a *graduated scale, approved by the Board of Education. GPA is based on the final grade in each course and is only updated after credits are earned. Final class rank is determined by ranking final cumulative GPA from highest to lowest for each student in the graduating class.

VALEDICTORIAN/SALUTATORIAN

A senior seeking the honor of Valedictorian/Salutatorian must meet the following requirements in addition to attaining the required class rank.

1. A senior must have earned a minimum of 6 credits while enrolled at Cooper High School-physically attending Cooper HS and/or a program within Boone County Schools for his/her entire senior year.

2. The interpretation of credits/grades must be in alignment with the Cooper High School Program of Studies and be subject to approval of the principal.

3. For the Class of 2017 and beyond, we will use the weighted GPA report for class rank. If there is a tie for valedictorian and/or salutatorian, we will use the Numeric Class Rank report to break the tie. If tied using both the weighted GPA report and the Numeric Class Rank, the student with the greatest number of AP courses will be used to break the tie. If tied using AP courses, the student with the greatest number of dual enrollment courses will be used to break the tie. In the event there is still a tie, we will have co-valedictorians and/or co-salutators.

4. For the class of 2022 and beyond, valedictorian/salutatorian will be eliminated.

To ensure career readiness, students are strongly encouraged to complete a CTS pathway.

Students must meet all specific course graduation requirements and a minimum number of credits to graduate. There is an opportunity to earn a significant number of high school credits throughout traditional high school as well as through ancillary programs. If a student attempts more than the 24 (6 periods x 4 years) credits offered during a typical Cooper High School day, students are required to earn 90% of credits they attempt. To determine the 90% of courses earned, the number of courses earned will be divided by the number of courses attempted. This will be rounded up to the closest whole number to the 100th place with .45 being the cut off to round up. For students taking the typical 24 credits, 22 credits will be required as minimum number of credits for graduation.

A student must meet all of the following requirements:
5. Complete 8 semesters of high school.
6. Earn 22 credits or the transfer equivalent as shown in the table below:

**GRADUATION WITH HONORS**

Any student with a weighted grade of 3.8 or higher will be considered as graduating with honors and will be recognized at the graduation ceremony. A “graduating senior” according to this policy shall be a student who has previously completed seven (7) high school semesters from an accredited high school and is currently completing the eighth (8th) high school semester at Cooper High School. Cooper High School will recognize seniors who have completed all the state, Board, and school requirements for graduation, have achieved a high level GPA and taken Advanced Placement or Dual Credit courses as outlined below by identifying individual students as graduating Cum Laude, Magna Cum Laude, Summa Cum Laude. Requirements for each of Cooper High School’s recognition levels:

**WHAT IS THE KENTUCKY WORK ETHIC DIPLOMA?**

The concept for a regional Work Ethic initiative was brought to the Northern Kentucky Chamber of Commerce in 2000 by employers who felt students were not completing high school with the soft skills needed to be successful employees. With the input of area educators, business leaders and post-secondary representatives, standards were developed to measure work ethic in students. The Work Ethic Program is designed to:

- Supply Northern Kentucky employers with skilled workers.
- Produce an emerging workforce prepared to face the challenges of a global marketplace.
- Be a filter for hiring and selecting candidates who have demonstrated knowledge, skills, abilities, and commitment to work.
- Reinforce the value of positive Work Ethic and commitment to successful employment.
- Recognize a common, identifiable metric of work habits.
- Develop and improve soft skills of Northern Kentucky students.
**SCHOLARSHIPS**

**Scholarships:** Please be aware of scholarship opportunities available primarily for seniors. The scholarship guide is updated often, especially during the months of February through April. Access the scholarships online at www.cooper.boone.kyschools.us → Quick Links → Guidance → Scholarship Guide.

**WITHDRAWAL FROM SCHOOL**

Students who are transferring to another school, or withdrawing from school for any reason, should see the Registrar as soon as possible. They can help you complete the documents you will need to enroll in your new school or program. Cooper High School will need to ensure all books/resources are accounted for prior to withdrawing. A parent or guardian should accompany the student on the day of withdrawal.

RCHS STUDENT INFORMATION

Listed throughout this section are various policies that provide guidelines. Interpretation of these policies are ultimately at the discretion of the School Administration.

ACADEMICS: RESPONSIBILITY

WORK AND SCHOOL

The Administration recognizes that many students work after school and is firm in its belief that education cannot be compromised. If conflicts arise between school and work, school receives top priority.

ADVANCE PLACEMENT (AP) EXEMPTION FOR FINAL EXAMS:

1. Individual teachers may require a class to take the final exam and not grant exemptions. The decision to not grant the exam exemption must apply to all AP classes taught by that teacher.
2. Course Grade Requirement: Students must have attained an 87% average over the first three (3) quarters at the time of the exam.
3. Attendance Requirements: In order to be exempt from a final exam in an AP class a student may not have any unexcused absences at the time of the exam. Additionally, any student exempted from an exam must be in attendance on the day of the exam. If the student is not present on the day of the exam they will receive an “Incomplete” grade and be required to take a make-up exam or receive a 0% exam grade.

CLOSED CAMPUS

Randall K. Cooper High School is a closed campus. Students who leave campus before the end of a school day must obtain written permission from their parent/guardian and Administration. Students are not permitted in the parking lot during the school day except when arriving/leaving campus, unless they are escorted outside by Administration.

COMMENCEMENT

• Commencement is defined as an academic exercise in which students earn their diplomas from High School. Commencement activities include Senior Awards Night, rehearsal, Baccalaureate, and the Graduation Ceremony.
• Participation in commencement activities is a privilege. Student behavior or attendance issues may prevent a student from taking part in some or all of the commencement exercises. Senior pranks are not permitted and could result in the loss of commencement privileges.
• Graduating students with ten (10) or more unexcused absences and/or tardies will not be permitted to participate in the graduation ceremony.
• All financial obligations must be met to participate in commencement.
• All students participating in commencement must have earned a diploma by completing the minimum number of credits to graduate prior to the day of graduation.
• Commencement is a formal ceremony, therefore only district and school administration will present graduates their diploma.
• Seniors who wish to have their picture appear in the yearbook, must have their picture made with the YEARBOOK photographer, *Prestige*.

• Invitations, caps, and gowns are ordered near the end of the first semester.

• A schedule of graduation activities will be given to each senior during the spring semester.

**COMMUNITY SERVICE**

*THIS IS A GRADUATION REQUIREMENT*

• **20 hours** of Community Service are required. It is recommended that students get 5 hours per school year.
  - Graduating Students: All hours are due to the media center on or before February 15th of the graduating year.
  - Students transferring to Cooper High School on or before September 30th of that school year, will be required to obtain five (5) hours of community service for that year. Students transferring to Cooper High School after September 30th will be exempt for that school year.

• Community Service opportunities are regularly updated on Cooper’s website. Service hour sheets are available in the media center or on Cooper’s website under Community Service.

• All completed service hours sheets should be turned in to the media center staff.

• Students can view service hours through their Infinite Campus Portal and are encouraged to keep track of their own hours.

• Examples of valid community service hours include services that benefit several people in an organized fashion. This includes, but is not limited to: school sponsored activities, Master Provisions, United Ministries, Brighton Center, River Sweep, Special Olympics, Welcome House, Mary Rose Mission, BCPL, YMCA, nursing homes, etc.

• Community Services hours that are not organized activities and do not serve several people do not count towards graduation requirements. For example: mowing your neighbor’s lawn, babysitting, providing a service that is not organized in nature.

**DANCE POLICY**

All students (guests) must adhere to the following rules when attending a school sponsored dance whether held on campus or off-site.

• Dances are not open to guests over the age of 20 or currently enrolled in a grade level below ninth grade.

• Non-Cooper students attending a dance must have a guest contract signed in order to attend.

• In order for a Cooper student to purchase a ticket or attend a school sponsored dance, they may not have six (6) or more unexcused all-day absences.

• The administration of Cooper High School reserves the right to deny admittance or ticket purchase to any dance or event due to prior discipline concerns at previous dances or events, during the school day.

• All students and guests are to present a picture ID at the dance.
• Students leaving a dance within the first hour of the event must check-out prior to leaving. Parent contact will be made by the administration or school representative to inform of the early departure.
• All students and guests are expected to follow the Cooper High School Student Code of Conduct and the Dress Code as specified by the dance sponsor.
• Cooper High School students are responsible for the behavior of their non-Cooper student guest and could face removal and/or discipline consequences for any inappropriate behavior. Refunds will not be given to students removed from a dance.
• Each Dance Sponsor will have a specific information sheet for students/parents/guests outlining times, cost, dress code, and any additional pertinent information for the dance.
• Only one guest per Cooper High School student is allowed to attend the dance and the student and guest must arrive and depart together.
• A Cooper High School student (or guest) suspended or expelled from school at the time of the dance is not eligible to attend the dance.
• The guest ticket is valid only for the guest named. It may not be used by anyone else.
• All appropriate paperwork must be turned in prior to receiving ticket(s).
• Students may be subjected to a random breathalyzer test or search at the discretion of the school personnel. Refusal to cooperate with such procedures is grounds for non-admittance or removal.
• Students or guests deemed to be in possession or under the influence of drugs or alcohol will be removed immediately and face discipline consequences. Parents will be held responsible for transportation of their student in these circumstances.
• To attend any weekday dance, students must be present that day at school. To attend a Saturday dance, students must be present the last school day before the dance.
• No costume attire is permitted.
• Once a student (or guest) leaves the dance, they will not be permitted to re-enter the event.

**DELIVERIES TO STUDENTS**

Our main office does not accept items dropped off during the school day. This does include backpacks, lunchboxes, homework, PE clothes, extracurricular items, projects, etc. The only exception is medication, eye and dental wear. We do understand this may be an adjustment, but the lesson learned will far outweigh the relief of rescuing them. Please help us help our students become self-sufficient and responsible before they transition to post-secondary education and/or career.

**FINAL EXAMS**

Exams are given on the final days of the school year. School is cancelled for inclement weather frequently during the winter season. Please plan on additional days being added to the school calendar. Please refer to class syllabus to determine grading for final exams.

All students are required to get pre-approval before any make-up exam dates will be scheduled.

Students are not permitted to take exams early, the school will designate the date(s) for make-up exams if necessary.

Senior Exemption for Non-EOC Final Exams:

1. Individual teachers may require a class to take the final exam and not allow the exemption. This decision must apply to all the teachers’ classes in which senior students are enrolled and cannot be used on a per class or individual basis.
2. Course Grade Requirement: Students in a year-long course must have attained a 90% average in the course at the time of the exam. In order to be exempted from a semester course in the second semester, the student must have a 90% average at the time of the exam.

Exam exemptions will not be granted for semester courses in the first semester.

3. In order to be exempt from a Math, English, or Social Studies course, the senior student must have met or exceeded the College and/or Career Readiness (CCR) Benchmark in that area. Social Studies exemption will be based on attainment of CCR in Reading.

Additionally, any student exempted from an exam, must be in attendance on the day of the exam. If the student is not present on the day of the exam, they will receive an “Incomplete” grade and be required to take a make-up exam or receive a 0% exam grade.

The Library Media Center is open from 7:00 a.m. – 3:30 p.m., including the lunch period (unless otherwise posted), to support all student and staff needs.

COLLECTION:
A diverse collection of books (print and electronic format) and electronic databases have been chosen to assist students in their academic and recreational reading needs. Access to the collection is through a web-based catalog and circulation system that can be accessed both at school and home. See the library/media center staff for database passwords.

Up to 5 books may be checked out for 3 weeks. Books can only be renewed once without the book. After the first renewal, the book must be present to be renewed. There is no fine or charge for a late book(s), however, a fee to replace any books or library materials that are lost or damaged will be charged. Students who have overdue items will be limited to 5 checkouts until the overdue items are returned or paid for if lost/damaged.

Boone County Schools

Guidelines

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. 21st century learning (communication, collaboration, critical thinking, and creativity) is essential for today’s students to be college, career and life ready. Boone County Schools is pleased to offer students the opportunity to bring their own technology to school as a tool to assist in the 21st century classroom. Although this is not a requirement, students are strongly encouraged to bring their own device. Students who do not bring their own technology will have access to the school’s equipment. Students will not be left out of instruction.

Bring Your Own Technology (BYOT) definition: For the purposes of BYOT at Cooper High School, “technology” IS NOT a cell phone. It is any personally owned technology device that includes, but is not limited to, a laptop, Chromebook, or tablet that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

----- Participants must agree to the following guidelines ----- 

Student BYOT Responsibilities and Guidelines:
- Students participating in BYOT must adhere to the District Code of Conduct, Board Policies, Acceptable Use Policy and Procedures, and school SBDM policies and procedures.
- Students assume all risk of theft or damage of BYOT devices while on school property. Students should exercise responsible behavior in the use and protection of any BYOT devices.
- Students are expected to connect BYOT devices to the Boone County Schools wireless network and not connect to personal 3G/4G data plans. BYOT devices connected to the Boone County Schools wireless network will be filtered using the district Internet filtering system as required by law. BYOT users will not bypass or attempt to bypass this filtering.
- Students participating in BYOT are limited to 3 devices per student.
- Students will bring devices charged and properly prepared for use at school.
- Students bringing BYOT devices will comply with teachers’ requests to use/shut down/close/discontinue operation of BYOT devices.
- BYOT devices should be in silent mode while on school property, unless otherwise allowed by a teacher. Devices should be in silent mode on the school bus.
- BYOT devices may not be used to cheat on assignments/tests/classwork or for non-instructional purposes.
- BYOT devices will connect to the Internet. BYOT devices will not access printers or local network storage on the Boone County network (U drives).
- BYOT devices must include anti-virus software as necessary.
- BYOT devices may not be used to record, transmit, or post images/sound/video of a person or persons during school activities and/or hours, unless otherwise directed by a teacher for a specific educational purpose.
**Teacher BYOT Responsibilities and Guidelines:**

- Teachers will have the right to allow/not allow use of BYOT devices during instructional class time.
- Teachers will ensure equal access to all students by using the school’s equipment with BYOT devices.
- Teachers will use BYOT devices for 21st century learning.
- Teachers will monitor BYOT devices for appropriate use.

**For all BYOT devices used on Boone County School District property, the Boone County School District reserves the right to:**

- Monitor all activity.
- Deny access to any device that may be deemed harmful to the network or the instructional environment.
- Make determinations on whether specific uses of the computer are consistent with the District’s Acceptable Use Policy (AUP).
- Log network use.
- Deem what is appropriate use.
- Collect and examine any BYOT device that is suspected of causing problems that violate either a school rule or law of the state of Kentucky.
- Remove the user’s access to the network and suspend rights to use BYOT devices on Boone County School District property.
- Determine where and when BYOT devices may connect to the Boone County Schools wireless network.
- Boone County Schools will not provide repairs, installations/downloads, or technical support for BYOT devices. If a BYOT device interferes with the district network in any way, the device will be banned from the network.
- Boone County Schools is not responsible for theft or damage of BYOT devices.
- Boone County Schools will not be responsible for charges incurred on personal 3G/4G plans. Students are expected to connect BYOT devices to the Boone County Schools wireless network and not connect to personal 3G/4G data plans.

**LOCKERS**

Each student will be furnished a locker with a built-in combination lock. **Students are to use only the locker assigned to them.** It is very important that students do not bring valuables to school or leave money and other valuables in their locker. When using PE lockers during class or Athletic lockers for after school activities (including the field house), students are to bring their own combination locks to secure their belongings.

Lockers are the property of the school and may be opened for inspection when deemed necessary by the school administrators.

**Damage or theft of student belongings, including school texts and personal property, while in a school locker is the responsibility of each student. A student should not share their combination with anyone or place possessions in an unlocked locker. Students should not rig their lockers in any way to ease/assist the opening in a quicker fashion. This may compromise the safety of the contents.**
LOST AND FOUND

Lost/found articles should be turned into the main office. The school, however, is not responsible for the replacement of lost or stolen items.

LUNCH PRICES

High School students will pay $1.25 for breakfast and $2.75 for lunch. Adults will pay by item for breakfast and $3.75 for lunch. Free/Reduced Lunch Program applications are available in the main office at all times. Families are required to re-apply each year.

For the safety and confidentiality of all students and staff, parents (guests) are not permitted to visit a classroom or eat lunch with students. Please direct questions to administration.

NO PASS/NO DRIVE BILL

HB 32, amending KRS 159.051 became effective June 26, 2007 and is intended to support dropout prevention and to provide an incentive for students to stay in school and pass their courses. The “No Pass/No Drive” statute results in the denial or revocation a student’s driver’s license for academic deficiency, or dropping out of school as a result of excessive or unexcused absences. Academic deficiency is defined as a student who does not have passing grades in at least four courses of the six (in a traditional schedule) in the preceding semester. A student is deemed to have dropped out of school when he/she has nine (9) or more unexcused absences in the preceding semester. Any absences due to suspension shall be unexcused absences.

**Permit Forms can be obtained through the Staff Support to the Assistant Principals or the front office. Please allow twenty-four (24) hour processing time.

PARENT PARTICIPATION

Randall K. Cooper High School values the important role parents play in the educational process. We encourage parents to participate in a variety of venues.

PTSO (Parent Teacher Student Organization): We have an active PTSO that supports the school in a multitude of ways throughout the school year. If you are interested in volunteering in any capacity for the school, please consider joining the PTSO for resources and information. (All volunteers must have an up to date background check on file). See the PTSO section of the RCHS website for specific details (https://www.boone.k12.ky.us/5/Content2/150).

Booster Organizations: If your child is involved in athletics or in the school band, please consider supporting the Athletic Boosters or the Band Boosters.

SBDM (School Based Decision Making): Each year RCHS hold parent elections for the two members that will serve on the SBDM. Parents are also encouraged to attend meetings as many important school decisions are made by the SBDM.

PARKING

Parking at Randall K. Cooper High School is a privilege and not a right and requires the possession of an officially issued parking permit that is prominently displayed. Parking privileges may be revoked without refund at the discretion of the principals for reasons listed below. A parking permit that is revoked shall remain revoked for the remainder of the school year. The signed application is a tacit
agreement to tow that car if it is parked in an unauthorized space or without permission. The parking sticker only reserves a space for the parking privilege and does not cover insurance claims.

Eligibility –To be eligible to purchase a parking pass:
1. Student must have a valid Kentucky operator’s license at the time of application for a parking pass.
2. Student must meet all requirements of the Kentucky No Pass No Drive statute at the time of application. If a student is granted an exemption per the appropriate legal process, a Parking Contract may be considered by the student’s assigned administrator. However, the No Pass No Drive exemption does not guarantee the issuance of a parking permit.
3. Student must have fewer than 6 unexcused absences to school in the prior school year.
4. Student must have fewer than 6 unexcused absences and/or tardies to school in the current school year.
5. Habitual violators of the discipline code of conduct or those who have committed a Tier III violation during the current school year will be ineligible for a parking pass.
6. Student must have paid all school fees prior to purchasing a parking pass.

Requirements - To maintain a purchased permit, the following conditions must be met (violations of any of the following may result in parking privileges being revoked without refund):
1. Agree to drive in a proper manner, not recklessly, and observing a 20 MPH speed limit while on campus.
2. Student is responsible for his/her own parking permit and they may not allow another student to use their permit for any reason. This will result in an automatic loss of parking privileges.
3. Student must park in their assigned spot or their parking privileges may be revoked.
4. Agree to respect the property of students, staff, & visitors by not vandalizing or causing purposeful damage in any manner.
5. Agree to not have any profane, sexual, or other suggestive material visible on/in the vehicle while on campus.
6. Agree to display Cooper High School parking permit on the vehicle. Failure to do so may result in loss of parking privilege.
7. Agree to leave the car upon arrival on campus, and agree to not bring illegal substances, tobacco, alcohol, weapons, or any other items that would be cause for loss of parking privilege and other disciplinary action. All cars on campus are subject to search, and appropriate disciplinary action will be taken if illegal substances are found (including notification of the proper authorities). By signing below you are agreeing to allow your car to be searched if any suspicion of a violation exists.
8. Students who commit a Tier III violation will lose their parking privileges for the remainder of the school year.
9. If a student's parking privileges have been revoked they may not drive another car on campus or use another student’s parking permit.
10. Agrees to show respect for the parking lot attendant and school officials in matters regarding parking privileges.
11. Agree to keep vehicle locked while parked on campus.
12. Student drivers who are truant to school may have their parking permit revoked after 6 unexcused absences and/or tardies. Typical morning traffic on and around campus is NOT a valid excuse for being tardy.
13. Students who leave campus without permission will have their parking privileges revoked.
14. Students may not return to their car during school unless they receive permission for an Administrator in the case of an emergency.

ATTENDANCE POLICY

ABSENCES

Educational research indicates that a significant correlation exists between attendance and grades in school. The attendance policy at Randall K. Cooper High School reflects the belief that students’ academic success depends on regular, punctual attendance. Good attendance is essential if a student wishes to receive the knowledge and skills necessary to perform adequately in the classroom and the professional world.

ALL student absences (defined as 60 minutes or more, with tardies being 59 minutes or less) require a written note signed by a doctor, parent or legal guardian upon a student’s return to school. Students are responsible for turning in all absence notes within 3 days of the absence or it will remain unexcused. *Cooper High School will not accept notes that are FAXED or COPIED. Original notes are required and should be delivered by the student to their first period teacher.*

Cooper High School will allow a total of six (6) absences throughout the year to be excused when a parent/legal guardian and/or signed doctor’s note is submitted. If there are more than 6 full days excused, a Medical Excuse form must be completed stating the student was seen in the doctor’s office, and returned to be reviewed by school officials within 3 days of the absence in order for the absence to be excused.

*Medical excuse form will be required only after 6 absences, and each absence thereafter.

EXCUSED ABSENCES are absences from school caused by illness, death in the immediate family, personal injury or any other absence defined by the principal or his designee as a valid excuse. Any student with a valid excuse will be provided the opportunity to make up his/her missed work, within a reasonable length of time, as decided by the principal. Please see the following:

1. **Illness and/or Doctor Appointments** – Students are permitted up to six (6) excused absences per school year when a parent/legal guardian and/or signed doctor’s note is submitted. Doctor visits should be scheduled after school hours, if possible. An original doctor note should be submitted upon student’s return. *Students should still come to school before or after appointments to avoid a FULL DAY absence. *The administration may approve additional days based upon the circumstance.

2. **Death in the Immediate Family (FNE)** - A funeral card/program must be submitted to be excused as a funeral excuse. Students are permitted one (1) funeral day per event.

3. **Court Appearances (LGE)** – A note from the court should be submitted upon the student’s return.

4. **Appointment for Driver’s Test (LGE)** – A note from administering official or the official tally sheet should be submitted upon the student’s return.

5. **College Visits (CVE)** – Seniors are permitted three (3) visits, Juniors are permitted two (2) visits, Sophomores are permitted one (1) visit, with documentation from the college on their official letterhead.

6. **Educational Enhancement Opportunity (EHO)** – An EHO day is a prearranged absence. An EHO form must be submitted and approved by the principal PRIOR to the date of absence. It is the student’s responsibility to arrange for all class activities and assignments to be requested prior to the absence, and turned in upon return. Following the absence, a summative report (one (1) page
per day taken) must be submitted within one week of the student’s return to the attendance office in order for the EHO to be used. An EHO form and report requirements can be found on Cooper’s website or in the office. EHO assignments is in addition to any work missed in any class.

**UNEXCUSED ABSENCES** are those for which no legitimate cause is shown or given. All days of suspension will be considered unexcused. Students may not receive credit for unexcused absences. Per the Kentucky Revised Statute (KRS 159.150):

**Please Note:** Any student who has attained the age of six (6) years, but has not reached his/her eighteenth birthday, who has been absent from school without valid excuse for three (3) or more full days, or tardy without valid excuse on three (3) or more full days, is a truant. Any student enrolled in a public school who has attained the age of eighteen (18) years, but has not reached his/her twenty-first birthday, who has been absent from school without valid excuse for three (3) or more full days, or tardy without valid excuse on three (3) or full more days, is a truant.

**ATTENDANCE & SCHOOL SPONSORED EVENTS**

In order to participate in or attend a school-sponsored event (Homecoming, drama productions, field trips, athletic contests, Prom, etc.) students must attend school that day or the day prior if the event occurs on a weekend. The student must be in attendance for at least one-half of the school day. Exceptions may be made by approval of a school administrator; examples of acceptable excuses include funerals, court appearances, or accidents.

**EARLY DISMISSAL PROCEDURE**

A parent/guardian picking up a student during the school day should come to the main office to sign the student out of school. The school is responsible for the safety of each student; therefore, parents (or any other adult picking up a student) must show identification before students can be released and must be listed on the student information card kept on file at the school.

Please follow the steps below when driving students are leaving:

1. If a student needs to leave for an appointment during the school day, he/she should bring a note from his/her parent/guardian stating the student’s full name, date, dismissal time and reason. This note should be presented to the attendance office when the student arrives at school.
2. The attendance office will call to verify permission from the parent. This call will be made regardless of the student’s age.
3. The student should report to the main office to officially sign out of school before leaving the building.

**TARDIES**

Students who arrive late to school must report to the main office. At Cooper High School, students are expected to be in the classroom preparing for class at 7:40 a.m. Students arriving after the aforementioned time, who were not on a late bus, are considered tardy to school and must report to the attendance office, sign in as being late to school and receive an admit slip to first period. A student absent during the school day 59 minutes or less will be considered tardy. Students may receive three (3) excused tardies per year when a parent note is submitted or parent signs student in/out. The administration reserves the right to decide upon the validity of the tardiness.

SEARCH AND SEIZURE

In promoting the process of education and protecting the health and welfare of students, administrators may conduct a search of school property or personal belongings. Any illegal items seized in such a search will be confiscated and may be turned over to law enforcement agents. Items such as firearms, fireworks, knives, drugs, alcoholic beverages, pornographic material, or items that are cause for disciplinary action will be reasons for searches. 2. The principal or designee, only upon a reasonable suspicion of violation of student code, state or federal regulations, may conduct a search.

TOBACCO
"The staff and administration at Cooper High School recognizes that the use of tobacco is harmful to your health. It can lead to the development of diseases and cause death."

Use or possession of tobacco or tobacco related products (e-cigarettes, vapor, hookah cigarettes, dip, chewing tobacco, etc.) on school property by students is in violation of Kentucky State Law, KRS 438.050. Therefore, it cannot be permitted anywhere on school grounds by students. Student offenders will be disciplined per school/district policy and may be legally cited for violating state law.

GUN-FREE SCHOOL ACT

Weapons, as described in Section 921 of Title 18 of the United States Codes, are strictly prohibited at Cooper High School. Students found in possession of weapons will be disciplined in accordance with Boone County Board of Education Policy and the Gun-Free School Act of 1994.

BULLYING/HARASSMENT

The 2008 House Bill 91 (HB 91) requires school districts to have plans, policies, and procedures dealing with measures for assisting students who are engaging in disruptive and disorderly behavior, including harassment, intimidation, bullying of another student, or cyberbullying in the prohibition of student harassment, intimidation, and bullying.

Randall K. Cooper High School will enforce strict policies relating to bullying or harassment.

Bullying is a nationwide issue that schools are attempting to clarify and bring awareness in order to stop this activity from occurring in our schools. A commonly accepted definition for bullying is: "A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending him or herself."

This definition includes three important components:
• Bullying is aggressive behavior that involves unwanted, negative actions.
• Bullying involves a pattern of intentional behavior repeated over time.
• Bullying involves an imbalance of power or strength.

Bullying is NOT an honest mistake, an isolated incident, a lapse in judgment or a conflict between friends. Friends are going to disagree, argue and possibly say unkind things. This does not constitute bullying behavior. We must teach healthy ways to address disagreements, conflicts and hurt feelings. It is important for teenagers to understand that conflict is normal and healthy in relationships and should be handled respectfully. Learning to handle conflict appropriately maintains the integrity of the relationship. When addressing conflict appropriately, it allows students the opportunity to discuss a situation instead of trying to hurt the other person.

"In the end, we will remember not the words of our enemies, but the silence of our friends." - Dr. Martin Luther King Jr.

DEFINITIONS:
A person is guilty of harassment when with intent to intimidate, harass, annoy, or alarm another person he or she:
(a) Strikes, shoves, kicks, or otherwise subjects him to physical contact; or
(b) Attempts or threatens to strike, shove, kick, or otherwise subject the person to physical contact; or
(c) In a public place—makes an offensively coarse utterance, gesture, or display, or addresses abusive language to any person present; or
(d) Follows a person in or about a public place or places; or
(e) Engages in a course of conduct or repeatedly commits acts which alarm or seriously annoy such other person and which serve no legitimate purpose; or
(f) Being enrolled as a student in a local school district, and while on school premises, on school-sponsored transportation, or at a school-sponsored event:
   1. Damages or commits a theft of the property of another student;
   2. Substantially disrupts the operation of the school; or
   3. Creates a hostile environment by means of any gestures, written communications, oral statements, or physical acts that a reasonable person under the circumstances should know would cause another student to suffer fear of physical harm, intimidation, humiliation, or embarrassment.

HARASSMENT, AS DEFINED IN THE PARAGRAPH OF THIS SECTION, IS A CLASS B MISDEMEANOR.

A person is guilty of harassing communications when with intent to intimidate, harass, annoy, or alarm another person he or she:
(a) Communicates with a person, anonymously or otherwise, by telephone, telegraph, mail or any other form of written communication in a manner which causes annoyance or alarm and serves no purpose of legitimate communication; or
(b) Makes a telephone call, whether or not conversation ensues, with no purpose of legitimate communication; or
(c) Communicates, while enrolled as a student in a local school district, with or about another school student, anonymously or otherwise, by telephone, the Internet, telegraph, mail, or any other form of electronic or written communication in a manner which a reasonable person under the circumstances should know would cause the other student to suffer fear of physical harm, intimidation, humiliation, or embarrassment and which serves no purpose of legitimate communication.

Harassing communications is a Class B misdemeanor.

5. AIDING & ABETTING ACADEMIC DISHONESTY: Providing material, information, or other assistance to a person with a reasonable knowledge that such assistance could be used in an incidence of academic dishonesty; providing false information in connection with any inquiry regarding academic dishonesty.

PERSONAL ELECTRONIC DEVICES

Possessing and using personal electronic communication devices; including but not limited to cell phones, iPods, iPads, and laptop computers, at school is a privilege. Where a quiet atmosphere and/or privacy is expected; such as classrooms, locker rooms, restrooms, detention, LINK, Friday School, library, computer labs, or performances; these devices must be powered off and not visible, except if the supervising staff member grants permission. Sharing data between students during a classroom activity is permitted only with teacher approval.

Students are permitted to use electronic and musical devices (such as an iPod, or iPad) for approved purposes in common areas such as hallways, the cafeteria, and in Flex/JAM areas. Students are only permitted to wear one ear bud (this is for safety concerns—students must be able to hear directions from adults in the building). Students are expected to comply with teacher and/or staff requests related to this policy and use of their technology device. Any incident of non-compliance, lack of cooperation, or defiance will be considered an additional discipline violation at the discretion of an administrator.

Inappropriate Use of Personal Electronic Devices:

**RCHS PROCEDURES**

**CAFETERIA**

At lunch students are to proceed to the cafeteria in an orderly manner according to the assigned lunch schedule. **Food and drinks are to be consumed in the lunchroom only.** Students are not permitted to remain in their fourth period classroom while their class is at lunch (exceptions are with teacher permission for a project or extended time on an assignment).

Students must remain in the cafeteria during their lunch period. The main office restroom is available during lunch periods.

**ENTRY TO SCHOOL**

Upon arrival to school, students who drive should enter the building through the main entrance and proceed to the commons area. Students who arrive via the bus should enter through the south rotunda and proceed to the commons area. **Students must remain in the commons area until 7:25 a.m.**
Students may not leave campus after arrival. Once a student enters the building, they are not permitted to go back to their automobile.

**FIRST AID**

The school first aid is for emergency situations or students who are ill. If a student must take medication (prescription/non-prescription) while at school, he/she must bring the prescribed medication in the original container to the first aid room along with specific instructions. The student is solely responsible for the time the dosage is to be taken. The first aid attendant will keep the medicine in the first aid room. Students are not permitted to be in possession of any drugs (prescription/non-prescription) at any time at school. Students needing to visit the first aid room must have signed permission from their teacher.

**HEALTH & SAFETY STATEMENT**

The COVID-19 pandemic has presented our community with many complex challenges, including how we will safely educate our students. The priority of safely and effectively educating our students must be balanced with the safety of our students and staff and also the financial impact of the pandemic on jobs and our families.

Providing in-person instructional services to our students will require all students, faculty, and staff to practice social distancing, wear a face-covering or mask, conduct daily temperature checks, and assist with contact tracing. Additionally, we should all expect that returning to campus will require a shared commitment to daily hygiene practices including frequent hand-washing and symptom-checking.

Trying to balance the health of students, families, and staff along with the need to return to school for the academic, social, and emotional development of our children is challenging.

While we cannot eliminate risks altogether, we believe that by following the state and federal guidance listed above we can together significantly reduce the risk of potentially spreading COVID-19 on our campus. Doing so, however, will require a shared commitment by each of us to take care of ourselves, our families, and everyone in our school.

**MESSAGES**

Students will not be given messages of any kind during instructional time except in the case of an emergency. Messages will be held in the main office and delivered between class changes. Parents/guardians should not text their child during the school day and expect to contact them as use of the cell phone during the school day is prohibited.

**SAFETY PROCEDURES**

All procedures for safety plans (fire, tornado, lockdown, etc.) will be shared with students within the first two weeks of school and practiced with students on a regular basis.
SCHOOL BASED DECISION MAKING (SBDM)

Cooper High School is governed by the SBDM. This council consists of the principal, three teacher representatives, and two parent representatives. The SBDM committee for the 2017-2018 school year is:

Principal: Mike Wilson
Teacher: Emily Earls
Teacher: Bridgette Guye
Teacher: Erica Stewart
Teacher: Zachery Thomas
Parent: Karmin Mielad
Parent: Catherine Stavros
Parent: Scott Tharp

VISITORS

Each visitor is required to sign in, show photo identification at the desk in the main office, and wear a Visitor’s Nametag at all times in the building. This registration is absolutely essential for visitors so the School Resource Officer and other staff will be able to identify persons who have authorization to be in the building. Board policy prohibits us from allowing students from other schools to spend the day with our students. No exceptions will be made, except for foreign exchange students who have been approved in advance. Due to COVID-19, we are limiting visitors to essential business only.

WATER/FOOD IN THE CLASSROOM

Current research supports students staying hydrated throughout the school day and that dehydration contributes to a number of short and long-term health problems. Cooper High School allows students to bring water to their classrooms as follows:

- Students must have a clear original water bottle such as those you can buy in a vending machine. RCHS does have a water vending machine.
- Students may not drink soft drinks, tea, juices, etc. in class. Water only!
- Students may not bring a personal waterbottle to class.
- FOOD is not permitted in the classroom (unless it is approved as an appropriate class related activity).

Students working on a computer may NOT bring their water to the computer. It must be left under their seat or at the desk.

Cooper High School encourages athletic participation for all students at all levels. Research validates that athletics is an important link in school success. Cooper High School will offer the following sports:

Fall Sports: Cross County, Football, Golf, Soccer, Volleyball, Cheer, and Dance
Winter Sports: Basketball, Bowling, Swimming, Wrestling, Archery, Cheer and Dance

ATHLETIC MISSION STATEMENT

An interscholastic athletic program as a co-curricular activity is an integral part of the total educational and growth experience at Randall K. Cooper High School. Student-athletes, coaches, and parents are called upon to work together in a true spirit of sportsmanship to assist in creating an environment in which positive values can be revealed, tested, and proven relevant both to participants and the entire school community.

ATHLETIC CODE OF CONDUCT

The administration is responsible for the athletic program at Randall K. Cooper High School and for the satisfactory conduct of each and every athlete. Participation in athletics is a privilege and student-athletes are expected to represent their school, team, coach, and themselves in a positive manner. Therefore, we will require that students participating in athletics must do the following:

1. ACADEMICS: On a weekly basis, a student shall be passing in at least four hours of instruction as defined by Kentucky Board of Education regulations (of the six (6) hours of instruction required) or the equivalent of four (4) hours of instruction acceptable to graduation in order to be eligible to participate in athletics during the subsequent week. The athletic director will notify the staff weekly of student-athletes who are not eligible to play. During the period of ineligibility, athletes are prohibited from practicing or playing on the school team.

2. ATTENDANCE: Student-athletes must be in attendance for at least one-half of the school day to participate or compete in game or practice. If a student is absent on Friday, they are not eligible to participate or compete in games or practice over the weekend. Student-athletes with an excuse from parent(s) may be exempt from school and permitted to practice or compete on a particular day. An administrator must approve these absences.

3. ATTENDANCE: Students with six (6) or more unexcused all-day absences will be ruled ineligible for the remainder of the year. Student will be notified once they have six (6) unexcused all-day absences.

4. PHYSICAL EXAM AND CONSENT FORMS: No student will participate in athletics without the proper paperwork on file with the school. This includes, but not limited to, a doctor’s physical exam and permission consent form.

5. ELIGIBILITY: Athletes must be in the proper grade level at the beginning of each school year. They must also move with their class to the next grade level. Beginning at the freshman level, high school athletes are permitted to have eight (8) consecutive semesters of eligibility. Two (2) semesters shall constitute a school year. All KHSAA rules and requirements will be enforced regarding eligibility.

6. FEES: Athletes are required to pay athletic fees to participate in sports.

7. ATHLETIC LETTERING POLICY: An athlete can only earn one (1) varsity letter during his/her high school career. An athlete must achieve at least 25% participation in their respective sport to earn a letter. Each sport will provide one (1) bar per year. The head coach and athletic director reserve the right to give out letters for special circumstances.
